Ramya Pendant

#45059

ARTERIORS

Drawing inspiration from the beauty in natural materials, this pendant is a muse for organic design. Blending the rich textures of strung coconut shells with the modern silhouette, this light fixture exudes an exotic, yet botanical look. Each shell is dyed in rich black, individually cut and hand-strung onto a wire frame. It's finished with wide hoop links that are wrapped in smaller coconut beads, dyed to complement the shade. Additional chain available CHN-989.
