## Shaw Accent Table

#5532

This table not only elevates the room it occupies, but also showcases a level of class on its own. Constructed of hand-forged iron, the frame is delicately tapered with a distressed, antique pewter finish that lends a slightly industrial edge. The tiers are both rich with organic texture in a tiled blueschist veneer that holds bold, scattered veining. Its demure size means this table is an ideal occasional or drink table and a perfect companion to a cozy armchair. Finish may vary.
