Salford Floor Lamp

ARTERIOORS

Sleek and simple in form and aesthetic, this floor lamp exemplifies ultra-modern style. It's built of steel to give it clean lines, perfectly angular joints and a shiny polish; the completely linear frame allows it to tuck neatly into a reading chair or sofa to reduce its footprint in the room. An LED strip is nicely concealed into the frame. To give the modern look a bit of a twist, it is entirely finished in vintage brass. Fitted with a full range dimmer on a black cord.
