Twisty Twisters are on a mission, can you help?

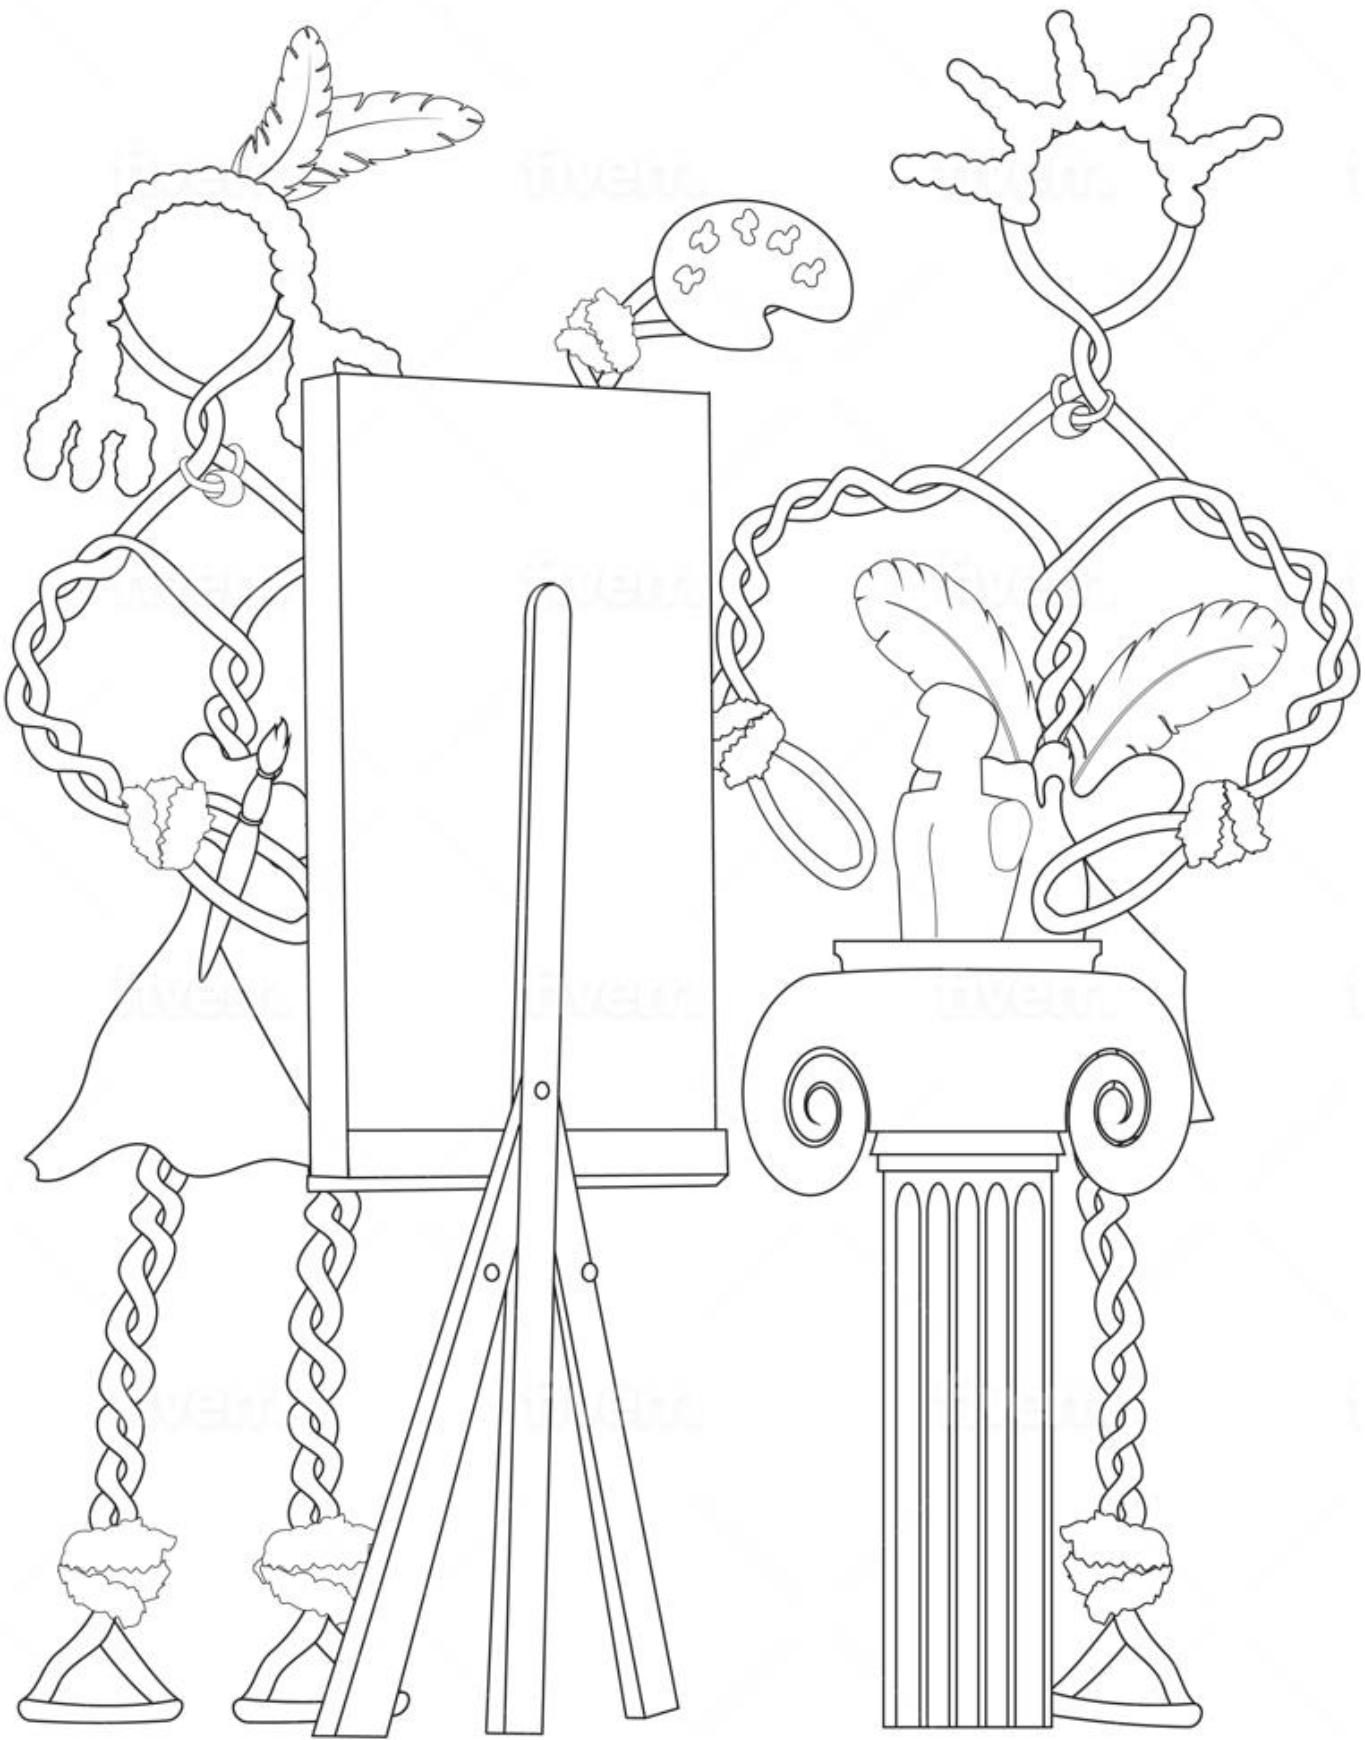

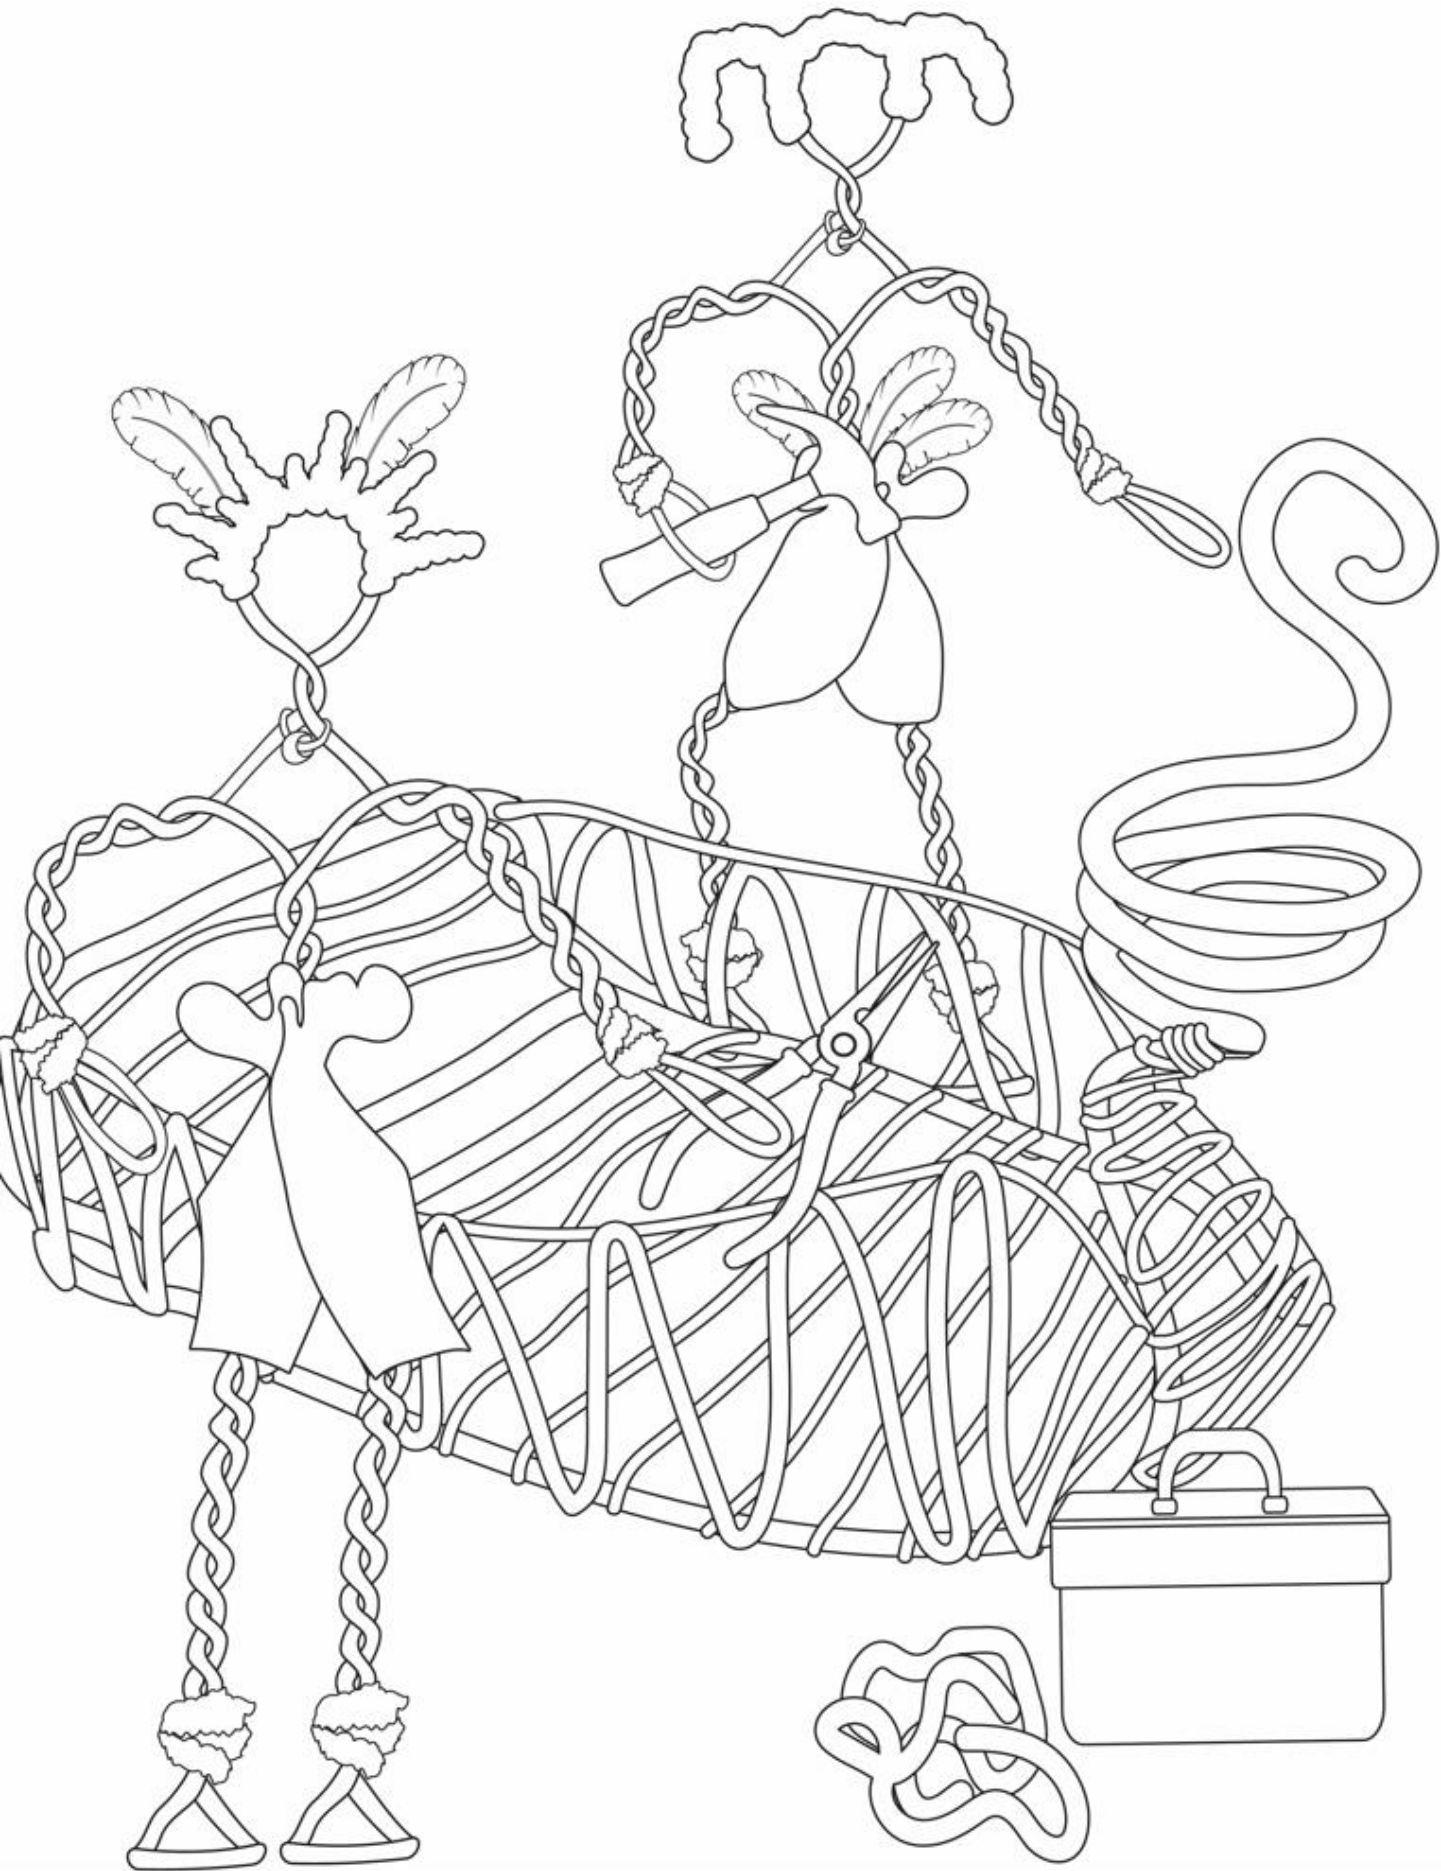

**Twisty Twisters are from a
twisted planet called
Curly-Coil, far far far away**

Twisty Twisters love to dance

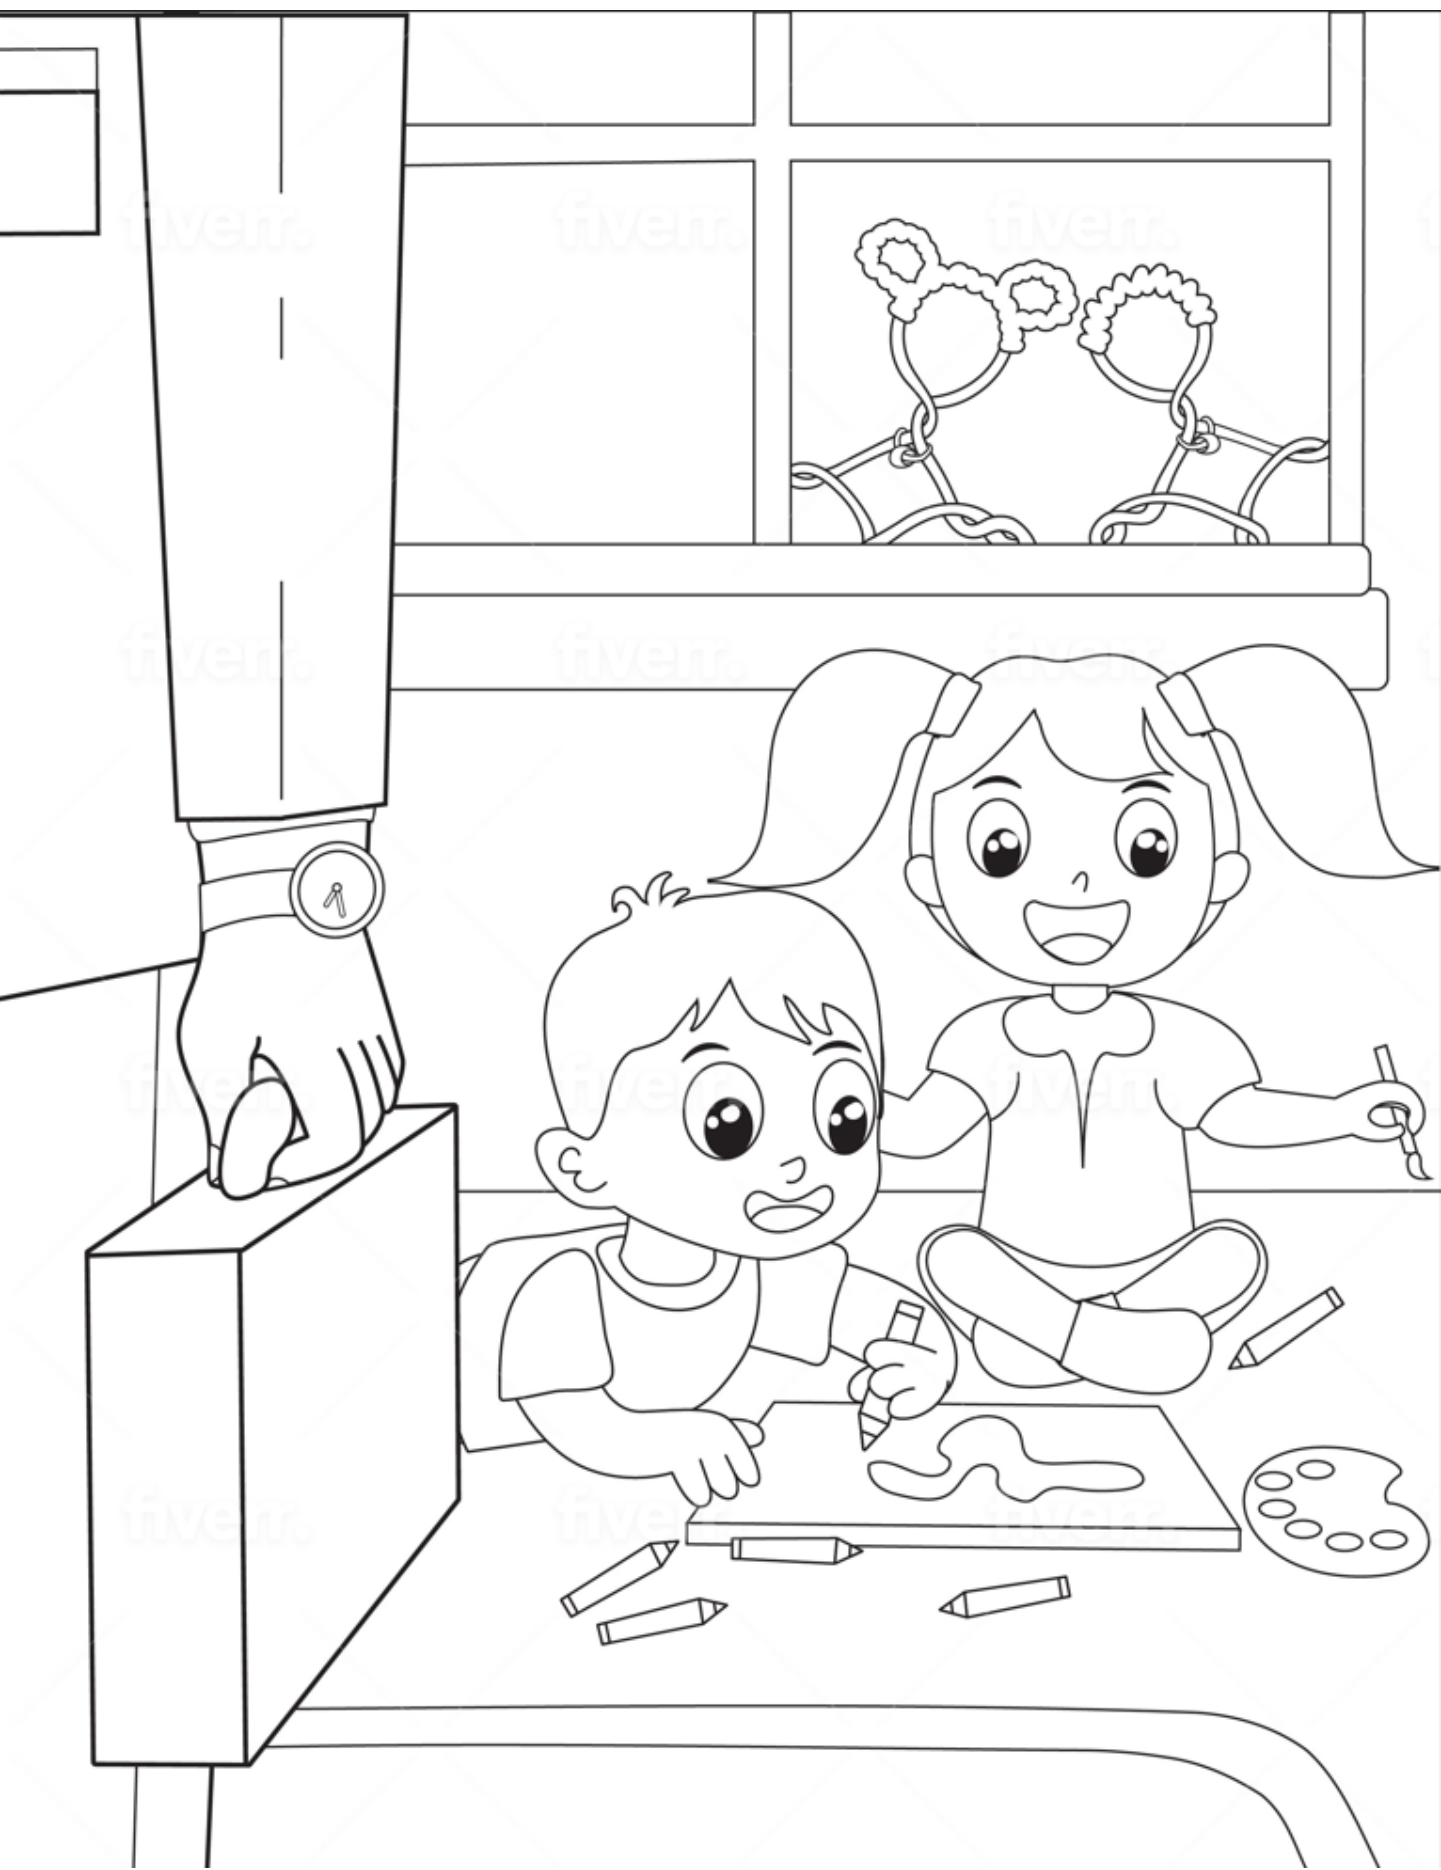

Twisty Twisters are also creative, they love to draw, paint and make sculptures

**Twisty Twisters are curious,
which is why they built a
spaceship to explore the
universe**

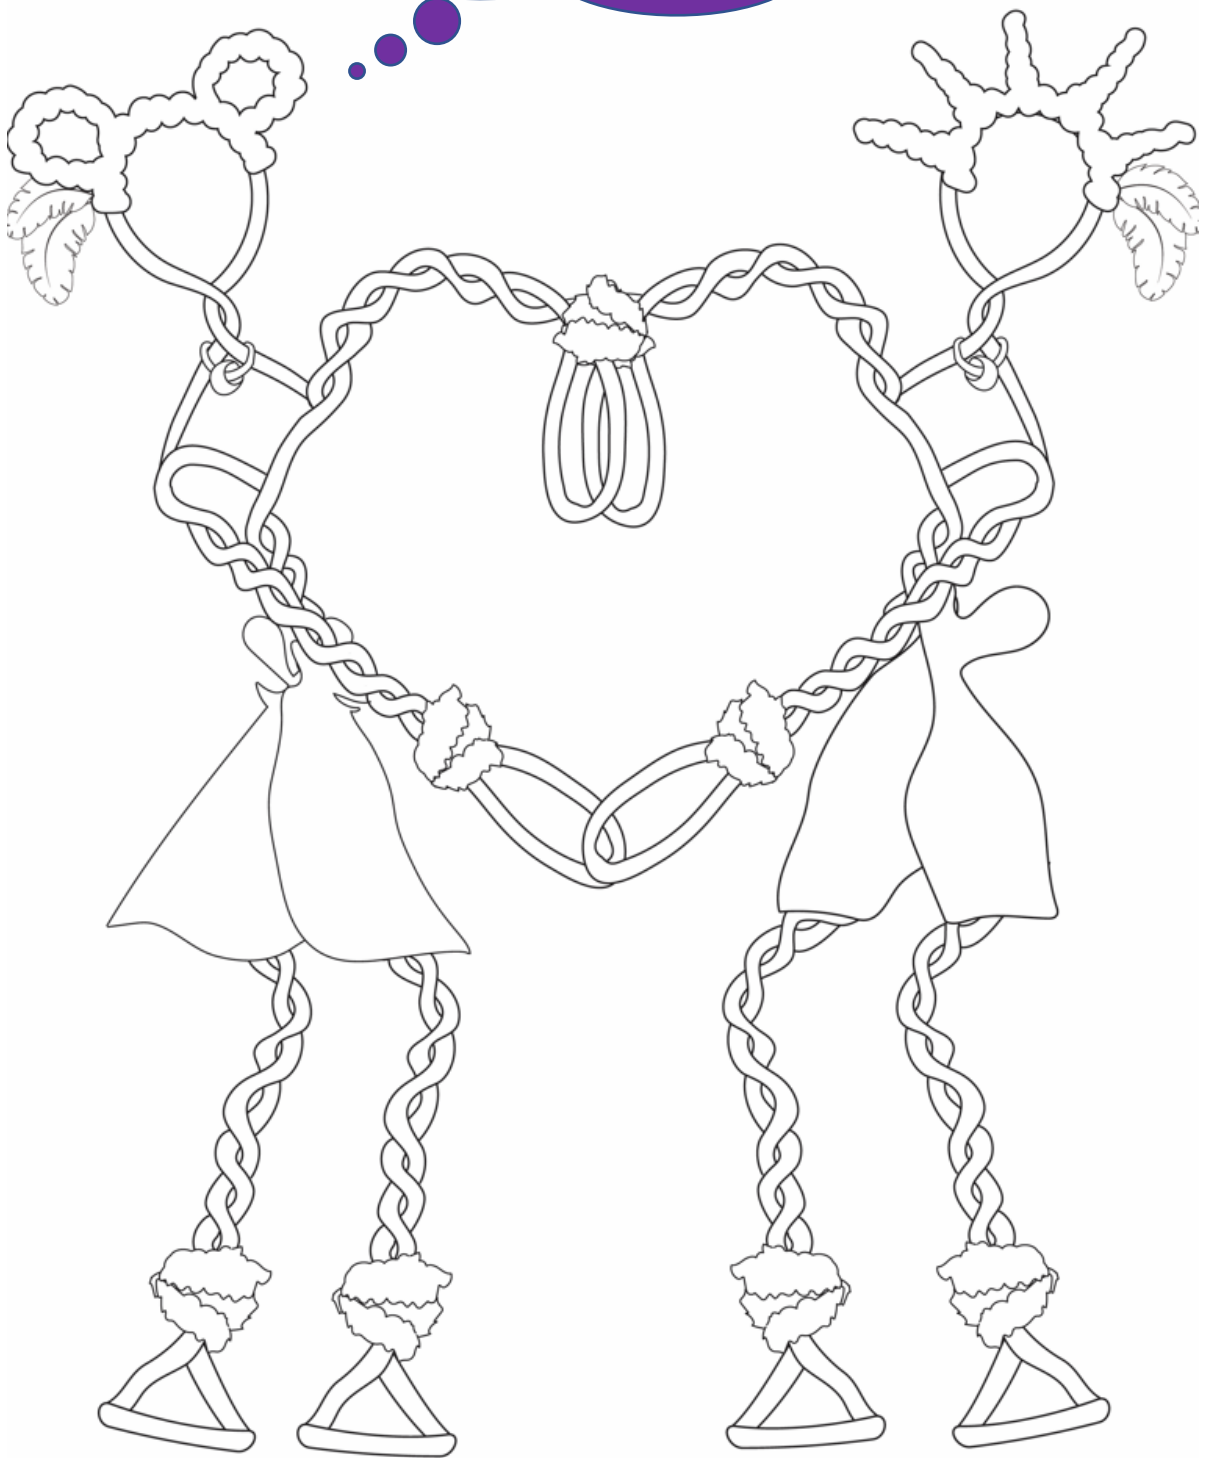

**One day Twisty explorers
discovered a beautiful blue
planet called Earth**

Twisty Twisters were shocked to learn that all humans were great artists but as they grow older, they stop making art

Let's help humans to create sculptures

Twisty Twisters decided that humans needed to create more art because it makes them happy, so they made it their mission to help spread creativity throughout earth

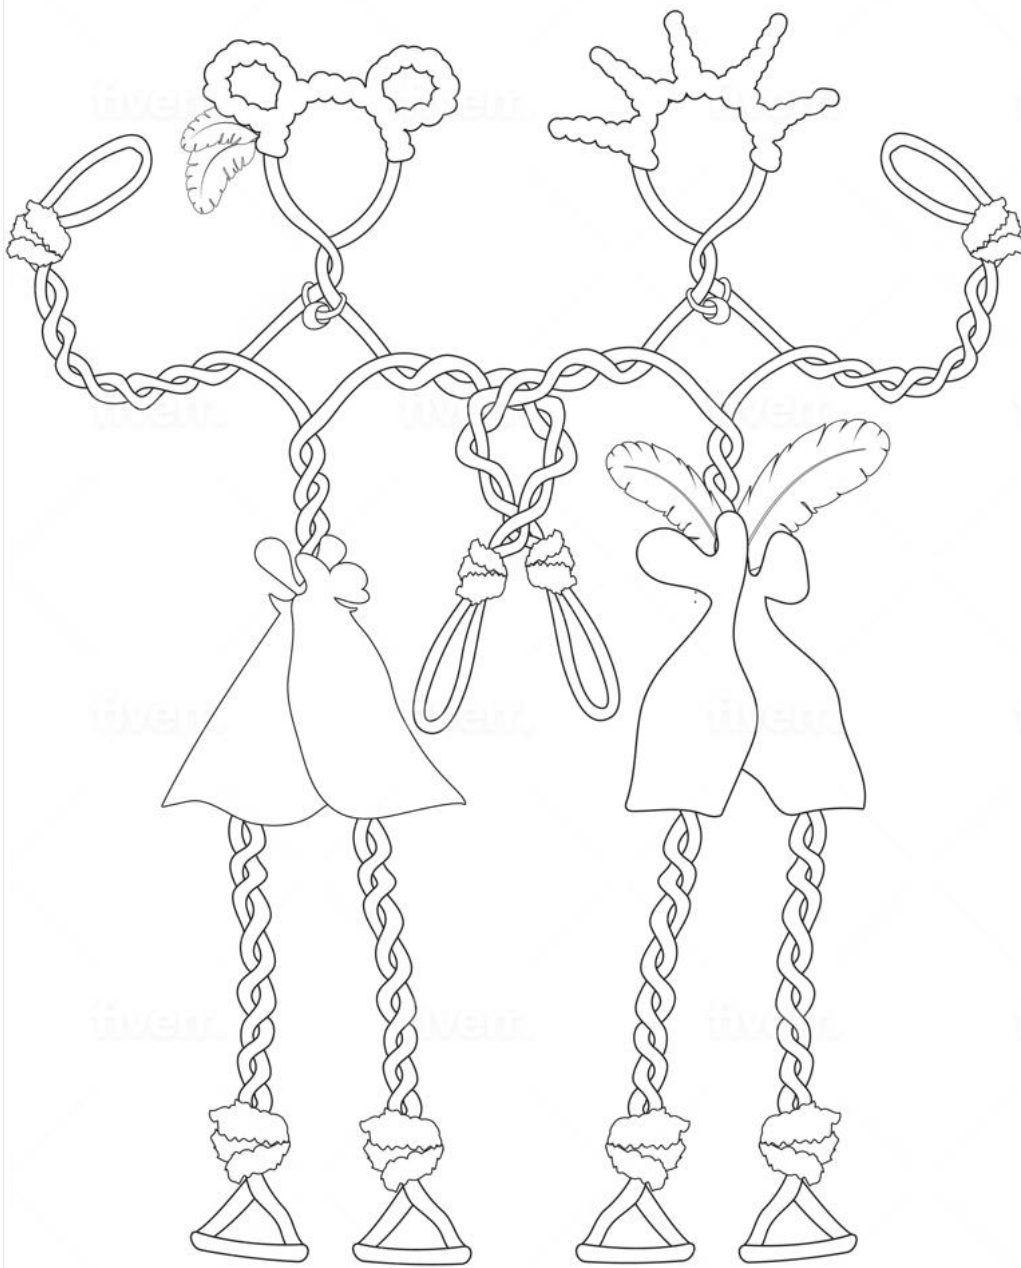

Banana for scale

The only problem was that humans were HUGE!

So, they decided send Twist-Kits and trick humans into making an army of Twisters to spread creativity throughout earth

They sent secret agents Billie Bendy and Terry Twister to carry out this mission.

Each statue can be made in 10 easy steps

Can you help the Twisters on their mission? Let's see what you can create
