INTRODUCTION

Luxury, efficiency, and exclusivity are synonymous with the ever-growing vogue of the ISI and ISO (9001:2015) accredited, Lipka. A well-known brand in the realm of bathroom and kitchen fittings, LIPKA has undoubtedly achieved a superior position in the industry, promising to be the one-stop solution to all the lifestyle essentials.

Born as a vision to a dynamic entrepreneur, Lipka is an Indian company based in New Delhi and has spread its presence in the markets of over 1000 cities. It started as a modest SSI unit and went out to grow into a large deferential family with a range of over 4000 products being sold by 5000 dealers across the country. Team LIPKA comprises over 300 plus committed members who aim to bring to their customers, convenience and elegance – all at once! The team works vigorously and ensures compatibility with the diverse choices of its consumers with over 3000 products. Team LIPKA remains on its toes throughout the year to introduce new products and modify the existing ones with creative add-ons, keeping in mind the ever changing needs of the consumers. Now more than a decade old, LIPKA stands at the apex on the list of the most-selling floor drains and has gained substantial momentum with respect to its other remarkably designed products such as its practical kitchen sinks, stylish faucets/taps, sturdy PTMT fixtures, and so on. The 100% indigenously manufactured products of Lipka, have the most extensive range of designs in the country for bathroom fittings, kitchen fixtures, and other utility requirements. LIPKA's core values echo customers' need for quality, creativity, functionality, and brilliance. It is not only the fastest growing online brand in the country but also aspires to be the best multinational brand for bathroom and kitchen fittings that reflect sophisticated, hygienic, and green living.

PTMT FAUCETS & UNBREAKABLE BATHROOM ACCESSORIES

LIPKA understands the growing importance of the combination of aesthetics and convenience and therefore offers a wide range of PTMT Faucets and Unbreakable Bathroom Accessories. The Faucets are manufactured in PolytetraMethylene Terephthalate (PTMT) and are designed to meet global quality standards by utilizing the highest quality of raw materials and innovative technology. The Bathroom Accessories are built of unbreakable ABS plastic that displays unquestionable endurance. To improve your quality of life, our 100% made-in-India bathroom accessories and PTMT faucet and fittings are designed with cutting-edge craftsmanship and practical features. Overall, the products are resistant to rust and corrosion and are ideal for hard water application, scaling proof, break-resistant, and do not need polish and lubrication. Due to the durability of the material and low maintenance, the products have a long functional life. Our range of bathroom accessories includes versatile products with inventive designs- for both contemporary and traditional bathrooms. They include multipurpose bathroom accessories like Multi-Shelf Trays, Soap Dish cum Tumblers, and Towel Racks with Hooks to give the product a marvelous space-saving and utilizing capacity. Our PTMT faucets are available in elegant Ivory and Topaz colour combinations that fit perfectly in modern-day households. We acknowledge that faucets and bathroom accessories play a significant role in enhancing the overall look of the bathroom; faucets reflect an ergonomic design with functionality and the bathroom accessories help as sensible organizers, both of which contribute to the modern bathroom's practicality and aesthetics.

LIPKA PTMT Faucets come with a **3 YEAR WARRANTY**

MADE IN INDIA

Products manufactured by LIPKA are **100% INDIGENOUSLY PRODUCED** - from manufacturing to packaging of the product, all the processes are undertaken in well-equipped factories based at New Delhi

The faucets are equipped with high-quality **GERMAN FOAM FLOW AERATORS** affixed to their outlets, allowing a streamlined and splash-free flow. The technology makes for a Water-saving Design as it intensifies the pressure of even low flow water through aeration

AISI 304 GRADE STAINLESS STEEL INSERT that is fitted into the interior of the faucets' threads provides additional support and ensures damage-free installation and subsequent usage

PTMT is thoroughly tested to **ENDURE EXTREME TEMPERATURES OF WATER** and environment, making the faucets **SUITABLE FOR BOTH INDOOR AND OUTDOOR** use

PTMT Faucets & Fittings by LIPKA conform to the standards and guidelines laid by the Bureau of Indian Standards(BSI) and are **CERTIFIED BY THE INDIAN STANDARDS INSTITUTE**

The versatile PTMT Polymer is fit for usage in Kitchens and Bathrooms due to its non-reactive characteristics as it does not react with ingredients in food and minerals in water making it **HYGIENIC AND SAFE**

Lipka Warranty Terms

Terms and Conditions:

- LIPKA extends this warranty to the original/first purchaser for personal household use of the Product in its original location. The warranty is non-transferable.
- The Warranty against any Product shall commence from the date of the purchase of unit and can be availed if the valid proof of purchase and warranty card is shown to Authorized Service Personnel at the time of repairs. Customers are therefore required to keep original invoice and warranty card safely. Repair or replacement will be carried out by company's service Centre or its authorized services associates.
- If in any case there is no service centre available or authorized Service Personnel nearby your place, then the customer will have to deliver the product on registered company address and if sending the product through courier, then customer is liable to pay courier charges.
- If the Product is installed beyond the municipal limits of LIPKA India's Branch Office /Authorized Service Franchisee locations, any and all costs and expenses incurred for repair/service of the Products in respect of a) to and from travel of service personnel and b) transportation of the Product and /or spare parts and/or components from the location of LIPKA India's branch office or Authorized Service Franchisee to customer's location and back shall be borne wholly and solely by the customer at the prevailing rates, and LIPKA India shall not be liable for any damage caused to the Product in transit or delivery for repair.
- This warranty does not cover instances of negligence, misuse, abuse, improper installation, carelessness, accident, hard water or mineral deposits, exposure to corrosive materials, misapplication, damages caused by improper maintenance, alteration of the product, or failure to follow care or installation instructions enclosed with your product. Avoid using abrasive cleaners such as powders, bleach, ammonia, alcohol, or chlorine. Avoid using abrasive pads, steel wool, or wire brushes, as these will damage and wear down the finish.
- This warranty does not cover labour charges or costs of removal and reinstallation of said product. This warranty does not allow recovery of incidental or consequential damages, such as loss of use, delay, property damage, or other consequential damages, and LIPKA accepts no liability for such damage.
- The company and its authorized service centre reserves the right to retain any part/s or component/s replaced at its discretion in the event of a defect noticed in the product during the warranty period.
- Company may at its discretion replace the faulty part (s) with functionally new operative part (s).
- In case of any damage to the product / customer abuse / repairs by unauthorized personnel / misuse detected / by the authorized service personnel, the warranty conditions are not applicable and repairs will be subject to availability of parts and on a chargeable basis only.
- Replacement of parts would be purely at the discretion of LIPKA alone. In case replacement of the entire unit is being made, (Subject to the sole discretion of LIPKA), the same model shall be replaced in the event such model has been discontinued, it shall be replaced with the model of price equivalent at the time of purchase.
- If any colored internal or external components are replaced, there will be no commitment to ensure that the shades match with the original or other components. The replaced shades, patterns, tints may vary from the customer's unit due to continuous usage of the unit. Any matching components changed at customer's request will be on chargeable basis except the components which actually needed.
- While the company will make every effort to carry out repairs at the earliest, it however is made expressly clear the company is under no obligation to do so in a specified period of time.
- This warranty shall not cover any consequential liability, damage or loss to property or life arising directly or indirectly out of any damage in the LIPKA products. The company's obligation under this warranty shall be limited or repair or providing replacement of defective parts only under the warranty period.
- The warranty does not cover demonstration / installation of the product purchased.
- The warranty does not cover components like washer, Rubbers, Springs and other plastic items.
- The warranty doesn't cover any accessories external to the product. After completion on one year, in case/s other than manufacturing defects are found in LIPKA products, standard labor and parts charges will be collected customers, as per prevailing rates of the company.
- If any dispute arises between the Company and the customer, in respect of the above warranty, neither shall commence any court or arbitration proceedings relating to the dispute unless they have first complied through mediation.
- In case of any disputes, the same is subject to exclusive jurisdiction of the courts of Delhi.

LIPKA GROUP OF COMPANIES, a leading brand in the Kitchen & Bath Fittings dominion, began its journey in 2009 with manufacturing floor drains and shower drain channels. Within 10 years, the company became a front-runner in the market through its most-selling, 100% indigenously manufactured floor drains with over 1000 plus remarkable designs and sizes. The Company was the first Indian brand that manufactured shower drain channels and made them accessible to not only the luxurious segments but also to the regular households.

KAPIL GUPTA
(FOUNDER, LIPKA GROUP OF CO.)

Needless to say, the massive visualization of the Company took its shape by spreading its manufacturing bustle onto major product verticals like Kitchen Sinks, Faucets, PTMT Products, Overhead Showers, Bathroom Accessories, and other associated equipment. As a consequence of its hard work, inventions, and patronage from its cultivated consumers, the Company has since made and sold millions of products and grown stronger in the market.

Every product, concept, and design by LIPKA is inspired by the burgeoning desire for style and aesthetic appeal among Consumers in India. With over 7 manufacturing units and warehouses spread across a whopping 70,000 sq. ft. in New Delhi, the Company produces merchandise from scratch, thereby upholding the dream of 'Make in India'. LIPKA has over 5000 stock-keeping units (SKU) that move forward with a tall promise of dispatching orders within 24 hours.

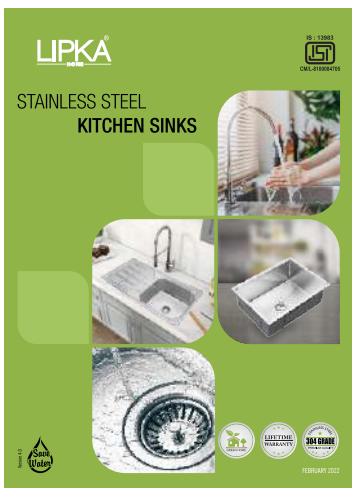

The Company, by judiciously utilizing two of its most essential assets; the LIPKA brand and an extraordinary distribution network, is expanding its product portfolio to meet the escalating requirements of diverse Indian customers. It has set its sights on each of these criteria, embracing new manufacturing processes to improve the quality of its products, whether it's innovation, technology, research, style, or craftsmanship. The design combines originality and exclusivity courtesy of our team's ingenuity and creative abilities. By duly considering the importance of sustainability in the present climatic scenario, the Company promotes green manufacturing through state-of-the-art automatic machinery and provides eco-friendly packaging for its products.

LIPKA, today takes pride in being the first company that educated the Indian populace about healthy living while emphasizing the essentiality of 304-Grade Stainless Steel, the operational details of a cockroach trap, the importance of installing an appropriate floor drain concerning the functionality and décor of the space, and so on. Apart from this, the Company also maintains its focus on spreading information about the features and utility of basic devices installed in homes that are usually overlooked like – kitchen sink couplings, handmade kitchen sinks, faucet aerators, basin mixers, etc. The company endeavors to communicate rudimentary information about the elementary household and lifestyle needs concerning bathroom and kitchen fixtures internationally.
