Are Simple Plant-Based Formulas the Next Frontier in Skin Care?

SEPTEMBER 27 2021 – GQ

If you have even a passing interest in your grooming routine, you've probably heard of botanical skin care. It's a term as opaque as it is ubiquitous, with its enticing promise of plant-based formulations and "all-natural" ingredients... [read more](#)

The 6 Best Flannel Sheets to Wrap Yourself in This Fall

SEPTEMBER 15 2021 – GEAR PATROL

Investing in sleep is one of the best things you can do. Not only is it important to make sure you're getting enough sleep, but you also need to make sure the bed you tuck into every night will have you getting the best sleep possible... [read more](#)

The 8 Non-Toxic and Sustainable Mattress Companies We Recommend

SEPTEMBER 13 2021 – ECOCULT

My husband and I had been sleeping on a memory foam mattress for seven years, which is about when the experts recommend you start thinking about a new mattress. I knew that this time, I wanted to find a sustainable and — more importantly — certified non-toxic mattress... [read more](#)

Your Guide to a Greener, Cleaner Home

SEPTEMBER 2021 – SHAPE MAGAZINE

We care deeply about living in a space that feeds our well-being and about protecting the planet. But the thought of doing a major overhaul to create an environmentally sustainable home can induce panic... [read more](#) / [download pdf](#)

It's National Recycling Day—Here Are 25 Sustainable Brands to Shop Right Now

AUGUST 10 2021 – USA TODAY

When you're in the market for a new or replacement product, try to find it from a sustainable brand, which begs the question: What is a sustainable brand?... [read more](#)

Top 14 Affordable Organic Safe Kids Mattresses

Mom Detective: What to Do About Plastic Pollution?

MARCH 1 2021 – MOMS CLEAN AIR FORCE

Every year the world produces more than 300 million tons of plastic, and 50% of it is single-use plastic. That figure is expected to double by 2034... [read more](#)

The Wellness Industry Is Coming for Your Mattress

FEBRUARY 24 2021 – VOX

Are mattresses toxic? And does that matter? I'm curious to find out whether we should truly be concerned with the ingredients in our mattresses, or if — as with the clean beauty industry — it's a faux house of horrors designed to get us to open our wallets wider... [read more](#)

19 Nontoxic, Eco-Friendly Mattresses for Every Budget

FEBRUARY 22 2021 – ELEMENTAL GREEN

If you're reading this, you're probably aware of the fact that conventional mattresses are made from unsustainable materials and harbor harmful carcinogenic glues, dyes, gels, and/or fire retardants, arsenic and formaldehyde... [read more](#)

Mom Detective: Covid, Climate and Chemicals

FEBRUARY 18 2021 – MOMS CLEAN AIR FORCE

If I am completely honest, at the end of some days, after I've cleaned up from dinner and gotten the kids into bed, I sometimes wonder if civilization's problems with exposure to toxic chemicals and climate change are just so vast that we won't be able to solve them... [read more](#)

Mom Detective: What to Do About Laundry and Plastic Pollution?

FEBRUARY 1 2021 – MOMS CLEAN AIR FORCE

Plastic pollution is a massive environmental problem, especially in our oceans. It turns out that 35% of primary plastic pollution is from the plastic fibers we wear and wash!... [read more](#)
