Set up a device

Set up a new device or add an existing
device or service to your home

New device
Add a Chromecast, Google Nest
speaker or display, Nest Wifi, a
🏠 matter-enabled smart home device
or a partner device, including those
labelled 'Seamless Setup with the
Google Home app'.

Works with Google
Link one of your existing devices or
⧉ services, such as connected light
bulbs or plugs.

8. Search "ScienerSmart" and enter Auslock/TT lock account on the authorization page.

9. Set Google Home security code in TT lock/Auslock APP. When using Google Home to unlock, you will be asked to enter this security code.

Important- you may need to download TT lock APP to set the google home passcode.
