#### THE PROBIOTIC OF CHOICE

## DO YOU WANT YOUR ANIMALS TO STAY ON FEED CONSISTENTLY?

- Feeding The Formula is your solution to keeping livestock on feed.
- Can be fed to all livestock species.
- Designed to increase appetite and maximizes performance.

- Keeps animals on feed during stress, weather change, travel, etc.
- An added bonus...it helps your animals eat all the other supplements you buy!
- Why spend all that money on an animal if they can't perform to the best of their ability?

### CUSTOMER RESULTS

"Our sheep went from pushing their food around to jumping the fence for more by noon"

"The cattle try to eat it straight out of the pail!"

"This stuff really works! Our feed bill is gonna go up!"
