

CIF OVEN AND GRILL CLEANER

Unilever®

PRO

Oven & Grill specialist concentrate is designed to attack burnt on grease delivering 100% tough grease removal from industrial ovens, hoods, grills, etc.

Key Benefits:

- No Colour
- Fragrance free
- Removes tough oil and grease stains
- High caustic formulation designed for the removal of encrusted grease, carbon and other deposits.
- Can be used for ovens, chimney, hoods, grills, griddles, fryers, smokehouses, and other food-preparation surfaces where spillage and carbon deposition is common

Application Instructions:

- For Cooking Surfaces : Heat surface to around 60degC and spray the solutions all over the greased surface. Allow to soak for 5-7 minutes & scrub(while wearing heat resistant gloves) with a suitable brush or scrub pad based on surface. Rinse thoroughly and repeat if required.
- For Chimney & Hoods : Using a foamer spray bottle spray the solution all over the greased surface. Allow to soak for 5-7 minutes & scrub with a suitable brush or scrub pad based on surface. Wipe clean thoroughly and repeat if required.

Dilution:

- RTU

Technical Data:

Appearance	Colourless liquid
pH in use	12-14
Specific Gravity	1.05 -1.07 @25°C

Pack Size

5L
