

# VIM DISHWASH LIQUID

**PRO**

Vim hand dishwashing liquid , with the power\* of lemons, gives you a complete cleaning without leaving any residue. Effective with one spoon of Vim dishwash liquid being enough to clean a full sink of dirty utensils^ . Concentrated dishwashing liquid removes burnt-on food and is a super de-grease formula

Disclaimer:

^Based on lab test

\* power refers to the cleaning benefit of lemon

## Key Benefits:

- Remove burnt-on food
- Effectively cleans the oil/grease
- Helps to remove odour
- Aluminium-safe
- Easy rinse
- Zero- Residue
- High foaming formula

## Application Instructions:

For Sink Wash

- Fill the empty tub or sink with the required amount of water
- Dose 10-20 ml vim liquid per litre of water into the tub or sink
- Start scrubbing the utensils using the scrubber and rinse thoroughly

Note: It is recommended to pre-soak the utensils for 10-15 minutes to loosen the soil and/or pour vim liquid directly onto wet scrubber for tough stains like burnt food
