SCINTEX SiliWash[©]

-Biodiesel Dry Wash

Health Warning - SiliWash[©] contains synthetic Magnesium Silicate (CAS no. 1343-88-0). It is similar in properties to the naturally found form of Magnesium Silicate, Talc. While Talc is relatively inert and is recognized as safe by the FDA, long term exposure has been linked to pulmonary and lung disorders. It is advised you wear an appropriate dust mask while working with SiliWash[©] and avoid skin contact by using gloves and coveralls.

Storage and Handling

- Store SiliWash[©] in a cool, well ventilated area away from sources of ignition and out of direct sunlight. Store SiliWash[©] in a dry location at room temperature.
- Protect from moisture. Keep containers well sealed.
- Avoid contact with eyes, skin, and clothing. Use with adequate ventilation.
- Do not swallow. Avoid breathing vapours, mists, or dust.
- Prevent contact with combustible or organic materials.
- Label containers and keep them tightly closed when not in use.
- Wash thoroughly after handling.

First-aid Measures

- **Inhalation** - Remove affected person to fresh air. Seek medical attention if effects persist.
- **Eye contact** - Flush eyes with running water for at least 15 minutes with eyelids held open. Seek specialist advice.
- **Skin contact** - Wash affected skin with soap and mild detergent and large amounts of water.
- **Ingestion** - Remove from exposure to fresh air immediately. If breathing is difficult, give oxygen. Do not use mouth-to-mouth resuscitation. Seek medical service immediately.
