CONCENTRATE

This product is safe for use around children and domestic cats and dogs.

5L

KELP-ER

PLANT HEALTH & VIGOUR

Product description

100% concentrate - The natural plant hormones in KELP-ER promote healthier and stronger turfgrass that can withstand pressures from wear, disease and frost. A denser turf sward and greater rootmass will develop from regular use. KELP-ER will cover up to 5000m².

Directions for use

Shake well before use.
Mix 100mL with 6-10L of clean water.
Treats 100m². Apply in the cool hours of the day.
Suitable for both foliar and soil drench applications.

Refilling 2L Hose On

Add 200mL of concentrate KELP-ER to 2L Hose On bottle. Fill the remainder of Hose On bottle with clean water. Shake well. Treats 200m².

Watering Can application

Add 2-4mL to 9L of clean water.
Diluted mixture will cover approximately 2-4m².

When to use

- New Lawns: Apply every 7 to 10 days whilst establishing for stronger growth.
- Lawns: Apply every 2-4 weeks as part of a maintenance schedule for maximum plant health.
- Can also be applied to garden beds for health and vigour of ornamental plants, including Australian natives.

Storage

Store in closed container in a dry, cool ventilated area.

Warning

KEEP OUT OF REACH OF CHILDREN.
Safe if used as per label directions
Avoid entering treated area until dry.
