

CLEAN MOSS

Cleaner for algae and moss

Cleaner for removing moss and algae from floors, stone façades, monuments and statues. Recommended for dissolving and removing moss from surfaces of stone, marble, granite, terracotta, concrete agglomerates, which are generally facing north or shady corners.

Coverage: 1 litre for approx. 20-25 m2 depending on the finish of the surface and on the dirt.

Strong points

- Water dilutable concentrate
- Eliminates algae and moss
- Prevents moss
- Bactericide detergent
- Does not produce harmful fumes
- Not aggressive for materials
- Safe for the user
- Eco-friendly

Application

SHAKE BEFORE USING.

CONCENTRATED PRODUCT.

Dilute 1 litre of CLEAN MOSS in 4 - 5 litres of water. Apply the suitably diluted product onto the surface. Wait about 10 minutes, then rub using a floor brush and rinse with a water-jet machine. Colored marks of moss during the application are easily removable with water. In case of persistent spots, repeat the treatment.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelflife of approx. 36 months.
Box of 15 x 1 litre bottle – Box of 4 x 5 litres cans
