- Easy application
- Quick drying
- Suitable for large surfaces
- Manual or machine polishing
- Suitable on treated surfaces
- Resists cleaning with detergent
- Solvent free
- Ready to use

 Solvent Free

Application

SHAKE BEFORE USING

READY TO USE PRODUCT, DO NOT DILUTE.

Pour a small quantity onto the clean and dry surface, spread it out evenly with a microfiber cloth with circular motions, allow to dry for min. 15/20 minutes.

Polish manually with a microfiber cloth or with a cleaning machine with polishing disc (white Scotch Brite).

For the ordinary maintenance of the treated surface we recommend the regular use of MGP 24 detergent.

Warnings

Before using the product, read the toxicological data sheet (MSDS) and the label detailing all risks and the personal protective equipment to be used for a correct use. The data of this technical data sheet is based on reliable information. Despite of this, the manufacturer can't know in advance the condition of the materials to be processed and the way of use of the product. Therefore, he disclaims any and all responsibility for damage arising from inadequacy of the product for special applications.

Before treating or cleaning surfaces, carry out a test on an invisible point to prevent possible damages, since our responsibility is limited to the warranty of the purchased product and therefore we disclaim any responsibility for damages resulting from negligence or wrong use.

Packaging and Storage

Keep the original, sealed container in covered, ventilated, dry environment and keep away from heat or low temperatures. After the use keep the package well closed, so the product has a shelf life of approx. 36 months.

Box of 15 x 1 litre bottle – Box of 4 x 5 liter cans
