

CLIP DISPENSERS

TOUCHLESS

Adept Touchless Dispensers are the new standard in contamination free clip dispensing. Developed to hold and dispense the Adept Beef and Lamb Cartridge Clips, the dispenser utilizes the latest technology to quickly deliver a clip with zero risk of cross contamination due to its non contact functionality. This system helps ensure maximum operator speed and efficiency.

- > Touch free clip dispensing
- > High speed operation - ultimate process efficiency
- > Zero cross-contamination transfer between clips
- > Designed for maximum reliability and safety
- > Quick and easy to load
- > Reduce clip wastage
- > Multiple capacity options available
- > Small footprint and positioning flexibility

Product Code	1020-850 Base 1020-860 Carousel 250 1020-870 Carousel 500 1020-880 Carousel 750
Clip Capacity	250 Clip 500 Clip 750 Clip
Dimensions	L: 256mm, W: 220mm, H: 421mm (250), 673mm (500), 925mm (750)
Mounting	Adept universal mounting bracket (included)
Electrical	110-240VAC, 24V Power adapter (included)
