

Tetra 

THE GLOBAL LEADER IN AQUATICS

All our products aim to enhance the aquatic experience. We not only make aquatics more convenient and more accessible for people worldwide, but, above all, we make it better for fish so they can enjoy a healthy life. From our Tetra plant in Melle, Germany we export globally in more than 120 countries. Wherever you are and wherever you go, we are always by your side to support you and your fish.

Our brand has received many awards. Some of the most important awards are "Brand of the Year", "Innovation through Research", "Brand of the Century", "Encyclopaedia of German World Market Leaders", "Best online brand image".
