Code – THA019SN
Rs 495 / \$ 5.99

The image features two lit ceramic lamps on a stand. The lamps are spherical and have a warm, glowing orange light emanating from within. They are mounted on a thin, gold-colored metal stand that has a circular base. The lamps are placed on a dark, reflective surface, which creates a clear reflection of the lamps and the stand below. The background is a softly lit room with a white door and a wooden frame on the left.
