PORTRAITS OF AMERICA

EIGHT 2-PART CHORALS OF PATRIOTISM AND PEACE

BY JILL AND MICHAEL GALLINA

Portraits of America is a collection of eight 2-part choral arrangements with piano accompaniment that celebrate patriotism and spreading a sense of peace, harmony and tolerance throughout the world. Three of the chorals, *Land That We Love*, *Hands 'Cross the Ocean* and *You're a Grand Old Flag*, are arranged as traditional partner songs.

Whether celebrating a patriotic holiday such as Veterans' Day, the 4th of July, or selecting music appropriate for concerts for World Peace and Unity, any of these engaging choral works will perfectly augment your commemorative program.

Performance/Accompaniment audio recordings and singer
PDFs are included via digital download.
