

Fiddler on the Roof (Choral Medley)

For SATB* with Piano, Electric Guitar, Electric Bass and Drums

Performance Notes: This arrangement has many opportunities for solo and small group sections. I would recommend that a violinist most definitely be used and if possible, an oboist and flautist. If that's impossible the C melody part may be played by any C melody instrument including a 2nd violinist. I hope you enjoy this as much as I have in preparing it. E.L.
