

HyPlex™

Premium Performance Grease

Premium Performance for Reliable Operation

Whether it's city street potholes or rough dirt roads, road conditions and stop-and-go driving are hard on your fleet's wheel bearings and chassis components. It is important to choose a grease that provides your fleet with all-around, long lasting protection under the most adverse operating conditions. HyPlex is designed to keep your fleet up and running, extending equipment life and ensuring reliable, trouble-free operation. This multi-functional, premium performance grease is formulated to excel under conditions of high speed, vibration, moisture, heavy loads and extreme temperatures. Choose HyPlex for lubrication you can count on!

BENEFITS

- Outstanding anti-wear and extreme pressure protection to maximize equipment life
- Excellent high temperature performance and low temperature fluidity
- Exceptional resistance to oxidation ensures very long grease life
- Adhesive formulation stays in place to protect bearings from water and dirt
- Exceptional stability and oil separation resistance
- GC-LB Certified (NLGI 2)
- Royal blue color for easy identification and visibility

HyPlex offers outstanding high temperature performance and resistance to oil bleed

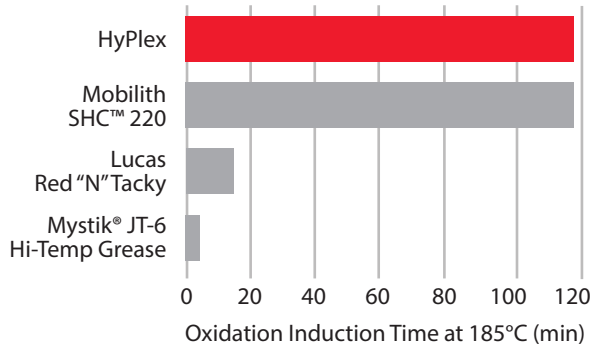

Higher is better →

While many greases excel in one performance category, **HyPlex** balances optimum product life, high temperature performance and load handling capability.

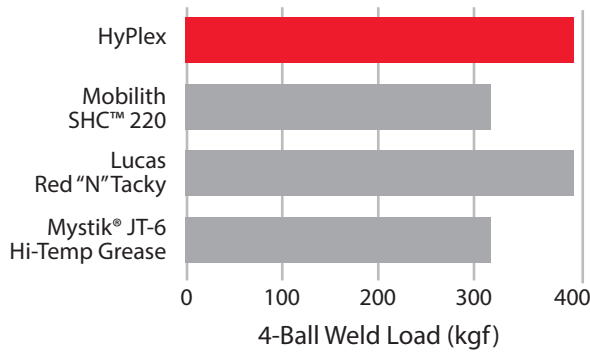

For optimal results, use with:

LONG GREASE LIFE

PERFORMS WELL UNDER HEAVY LOADS

Higher is better →

TACKINESS ELONGATION INDEX

Elongation is a measure of the adhesive-cohesive "stringiness" of a grease and indicates its ability to effectively travel through moving systems and create a protective coating.

POWER KLEEN™

Give new life to your diesel fuel system! Power Kleen keeps the entire fuel system clean: powerful nitrogen cleaning molecules dissolve deposits of carbon, gum and varnish in fuel injectors, lines and tanks, and prevents their reformation.

ESSENTIALUBE®

Keep your engine in pristine condition by flushing with Essentialube, our powerful blending agent which reduces the harmful effects of engine acids and increases engine life. Contains ashless additives and pure hydrocarbon ingredients, contains no metallic additives and will not void warranties.

HYFILM® LEO HEAVY DUTY

The oil of choice for Sustainable Heavy Duty fleets, HyFilm LEO Heavy Duty Engine Oil maximizes fuel economy and engine protection in the most extreme environments, from arctic cold to blazing hot. Diesel fleet owners and managers looking to improve ROI, reduce downtime and optimize drain intervals choose HyFilm LEO HDEO to provide world-class lubrication excellence for their class 3-8 heavy-haul, transportation, agricultural, construction, on-road and off-road fleets.

YOUR LUBRICATION CONSULTANT

The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.
