

Hydro-Syn 70

Severe Duty Grease

Premium Performance You Can Count On

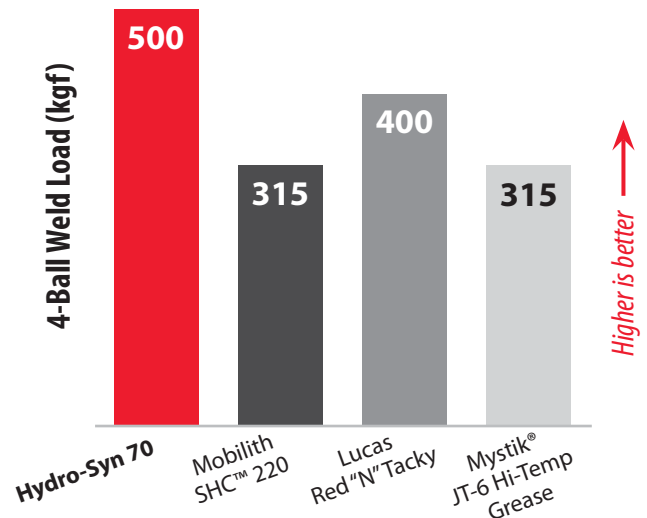

Hydro-Syn 70 is a premium lithium complex grease that gives your equipment the extreme protection that it needs. Hydro-Syn 70 offers superior protection for heavily loaded equipment operating over a wide range of temperatures and speeds, subject to conditions of vibration, moisture, and severe shock loads. Hydro-Syn 70 is highly tackified to exclude water, humidity, chemicals and other contaminants, while ensuring maximum stay-in-place performance.

BENEFITS

- **Optimal anti-wear and extreme pressure protection to maximize equipment life**
- **Excellent high temperature performance and low temperature fluidity**
- **Exceptional resistance to oxidation ensures very long grease life**
- **Tacky formulation resists sling-off and pound out under heavy loads**
- **Protects metal surfaces from harmful effects of water, acidity and other contaminants**
- **Excellent pumpability for automatic lubrication systems**
- **Available in NLGI Grades #2 & #1**

PERFORMS WELL UNDER HEAVY LOADS

Hydro-Syn 70 offers outstanding load handling and protection from wear.

Hydro-Syn 70 excels in multiple performance categories, offering optimum product life, high temperature performance, and stay-in-place tackiness.

Hydrotex Proprietary Method

YOUR LUBRICATION CONSULTANT

For optimal results, use with:

SYN-NTH™ HYTRAX™

SYN-Nth HyTrax is specially designed to exceed the severe service requirements of Caterpillar Powershift Transmissions. It allows controlled friction in clutch packs to achieve good engagement with minimal slippage. SYN-Nth polymers provide excellent low temperature performance and all-season capability, and allow for increased fuel economy.

HYFILM® LEO HEAVY DUTY

The oil of choice for Sustainable Heavy Duty fleets, HyFilm LEO Heavy Duty Engine Oil uses cutting edge technology to maximize fuel economy and engine protection in the most extreme environments, from arctic cold to blazing hot. Diesel fleet owners and managers looking to improve ROI, reduce downtime and optimize drain intervals choose HyFilm LEO HDEO to provide world-class lubrication excellence for their class 3–8 heavy-haul, transportation, agricultural, construction, on-road and off-road fleets.

POWER KLEEN™

Give new life to your diesel fuel system! Power Kleen keeps the entire fuel system clean; powerful nitrogen molecules dissolve deposits of carbon, gum and varnish in fuel injectors, lines and tanks, and prevents their reformation.

About Hydrotex®

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to help improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.
