

# Beaver Spit™

*Biodegradable Bar & Chain Lube*

LUBRICANTS FOR  
A HEALTHIER  
PLANET

## Keep Your Chainsaw Running Clean and Mean

Replacing chains and bars costs you time and money. Keep your chainsaws running longer with Beaver Spit. Beaver Spit coats, penetrates, and lubricates bar and chain components and includes powerful anti-wear additives that extend equipment life. Its tacky formula minimizes oil sling-off and maximizes lubrication. Beaver Spit's all-season performance ensures good oil flow in cold weather and a thick, protective lubricant film even on hot summer days. Beaver Spit is readily biodegradable and contains no heavy metals, preserving America's forests and rivers for generations to come. Protect your chainsaws and your productivity with Beaver Spit.

### BENEFITS

- Coats and penetrates bar and chain components
- Reduces wear by up to 28%
- Tacky formula minimizes sling-off for maximum lubrication
- Reduces oil consumption
- Environmentally friendly & readily biodegradable
- All-season performance

*Beaver Spit reduces wear to extend the life of your equipment.*

## For optimal results, use with:

### HYFILM® HY-REV

HyFilm Hy-Rev is a low ash, high performance lubricant for air-cooled, 2-cycle gasoline engines. It offers optimum protection against scuffing and wear, and features a powerful low ash additive package that stabilizes fuel, prevents spark plug fouling and keeps combustion chambers clean, leading to long equipment life and virtually smoke-free combustion.

### SYN-NTH™ HYTRAX™

Syn-Nth HyTrax is a premium Powershift Transmission & Hydraulic fluid that provides optimum protection for off-road forestry and landscaping machinery including delimiters, feller/bunchers, forwarders, harvesters, mulchers and skidders. Syn-Nth HyTrax offers heavy duty, all-season performance and allows for reduction of fuel consumption and extended drains.

Hydrotex Clean Diesel Fuel Management is a data driven continuous improvement process implemented with the on-site user to overcome the chemical and physical deficiencies of diesel fuel for increased performance, reliability, sustainability, and profitability.

PREVENT FUTURE CONTAMINATION**

## About Hydrotex®

Hydrotex® is a manufacturer and distributor of high performance lubricant and fuel improver solutions. As an employee owned company, we help our customers develop sustainable solutions designed to help improve system reliability, save energy, limit pollution, extend fixed asset life, reduce maintenance costs and improve fuel efficiency. Our products and services leverage over 80 years of innovation resulting in superior lubrication solutions.

## The Hydrotex Warranty

When properly stored and used in accordance with instructions, any material not satisfactory will be replaced with any product in our line on a dollar for dollar basis provided the account is paid in full when due, and Hydrotex is notified, in writing, within 12 months of the date of the order by the customer.

## YOUR LUBRICATION CONSULTANT

**Ask your Hydrotex representative about how Lubrication Management can add value to your business.**

- Improve Reliability
- Increase Uptime
- Optimize Efficiency
