EXTREMELY BLEACHING

10 LEVELS

Vegan friendly

- This ethereal powder can bleach any type of hair. Its balanced formula allows the colorist to combine it with any type of peroxide and obtain an extremely stable mixture.
- **Benefits:**
The blue pigment avoids changes towards yellow/orange tones. It has high lightening power and dries quickly.
- **Non-ADR:**
Not self-heating
Non-combustive

DUST FREE COMPACT Bleaching Powder

COLORA

- Highest lightening
- Highest protection

500 gr.

Contains

Guar Gum which has the following properties:

- Natural ingredient of vegetable origin derived from the plant *Cyamopsis Tetragonaloba*;
- Protective function on the hair due to its emollient properties during the bleaching process;
- Makes the cuticles thicker thanks to the presence of *Galactomannan*, a derivative of *Galactose* and *Mannose*, giving volume and body to the whole hair.
