FEATURES

Open/Close Manually

Classic manual cash box, push open or close cash drawer, no need to connect printer or cash register, can be used independently, convenient for cash register.

Independent Dual Tray

The cash drawer consists of a metal drawer and a detachable plastics cash tray, with a long media slot, metal wire grippers and a removable coin tray. Optional lockable cover of cash tray makes it more secure for cash transfer.

All Metal Structure

The case and the drawer are made of heavy duty steel, while the inner cash tray are made of shatter-resistant ABS plastic.

The load-bearing capacity exceeds 50KG. So it can bear heavy weight without any deformation even after long-term use.

Durable Nylon Roller (High hardness and good toughness)

Over 1 Million Lifecycles

Equipped with high durability release mechanism and roller to ensure smooth opening and closing. Tested to over 1 million opening/closing cycles.

No fear of any high-frequency use environment to meet different needs of various stores.

over 1,000,000 times
