

**RECON**  
**ASSAULT**
**PRODUCT CODE - SG033**

This overt solution provides maximum comfort and protection in high-risk environments. The Recon Assault carrier can be easily adapted to its wearer thanks to its adjustable options and internal body support.

Use the 5-point system to adjust the fit after inserting hard plates via the bottom loading plate pockets. Then adapt the carrier to your mission by attaching the upper neck and throat attachments, upper arm attachments or groin attachments as needed.
