

**RECON**
PLATE CARRIER**PRODUCT CODE - SG036**

Our Recon Plate Carrier overt solution provides maximum comfort and protection in high-risk environments. It can be easily adapted to its wearer thank to its adjustable options and internal body support.

Use the 5-point system to adjust the fit after inserting hard plates via the bottom loading plate pockets. Then adapt the carrier to your mission by attaching the upper neck and throat attachments, upper arm attachments or groin attachments as needed.
