

**RECON**
**BALCS**
**PRODUCT CODE - SG094**

Our overt solution provides maximum comfort and protection in high-risk environments. Engineered to be fully customisable, our Recon BALCS carrier can be easily adapted to every wearer thanks to its adjustable fit and removable modules.

Use the 5-point system to adjust the fit after inserting hard plates via the bottom loading plate pockets. Then customise the carrier by attaching the upper neck and throat attachments, upper arm attachments or groin attachments as needed.
