

## **Declaration regarding the Stockholm Convention (2019) as well as the European Regulation on Persistent Organic Pollutants (POPs) (2019/1021) (former 850/2004)**

Contrinex AG certifies that the substances listed in the Annexes A, B and C of the Stockholm Convention (2019) as well as of the European Regulation on Persistent Organic Pollutants (POPs) (2019/1021) are to our best knowledge and availability of information not intentionally used for manufacturing of the products we supply to you.

This declaration is based upon information provided to us by the suppliers of the raw materials or components used to manufacture our products. As such, Contrinex makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information.

To our best knowledge and availability of information our products fully comply with the provisions of the Stockholm Convention (2019) as well as of the European Regulation on Persistent Organic Pollutants (POPs) (2019/1021) as of 9 December 2022 (last amended by Commission Regulation (EU) 2022/2400).

Corminboeuf, Switzerland, 25.04.2023.

A handwritten signature in blue ink, appearing to read "Andrew Whitlow", written over a horizontal line.
