VINTAGE CONDITIONS

A standout vintage where the growing season was mild with very stable weather conditions. Berry set was fast and even, due to a warm and dry flowering period. This also resulted in even maturity at harvest producing fruit of outstanding quality.

WINEMAKING & MATURATION

The various wine components that make up this wine were all fermented separately. Fermented on skins for 7 days with pumping and rolling twice a day to ensure optimum extraction of colour, flavour and tannins. The wine was aged in new and used French and American oak barrels.

COLOUR

Deep garnet.

NOSE/AROMA

Rich perfumed fruits dominate the nose displaying pure cassis, mulberry and plum over subtle mocha oak.

PALATE

Rich and complex with juicy dark and red fruits, integrated with mocha notes. Tannins are plush and fine grained providing great length with lingering fruit flavours.
