WILD SCENES OF JUBILATION IN DELHI

From Our Special Representative
NEW DELHI, AUGUST 14.

ENTIRE DELHI KEPT AWAKE TO WITNESS THE HISTORIC EVENT OF USHERING IN THE FREEDOM OF INDIA AT THE HOUR OF MIDNIGHT.

entire scenes of enthusiasm were witnessed outside the Constituent Assembly. humanity wildly celebrated the momentous event, heralded with the blowing of conches.

of the occasion, Pandit Nehru made a speech in the Assembly which was at once notable and a masterpiece of literature. "Years ago we made a tryst with destiny," he said, "when we shall reduce to a pledge the words of our forefathers, but very solemnly. At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom".
