

REAL AUSTRALIAN HERITAGE IN A BOTTLE

2021 ORGANIC SHIRAZ

Baileys of Glenrowan is one of the pioneers of winemaking in North-East Victoria, producing its first vintage in 1870. Since this time, Glenrowan has become a world-renowned winemaking region. Baileys of Glenrowan continues to be recognised as an acclaimed producer of full-flavoured red and luscious fortified wines.

Our founder, Richard Bailey, crafted our first Shiraz back in 1870. After the Baileys of Glenrowan vineyards became certified organic in 2011, we produced our first organic Shiraz in 2012. This wine is made in tribute to those traditional winemaking techniques, upgraded with modern influences. The result is a sustainable Shiraz of great character.
