About us

At Bistara Linen Co., our female founders have been driven by a deep-rooted passion for sustainability and women's empowerment.

With extensive experience in the textile industry, they recognised a unique opportunity to create a brand centred around 100% French flax linen.

Our mission is to offer customers the same exceptional quality and design found in luxury brands, but at remarkably accessible prices, because everyone deserves the finest.

Our inaugural collection features 100% French flax linen bed sheets, duvet covers, pillowcases, euros, and tableware, available in a stunning array of colours.

The choice to use linen as our primary fabric stems from its numerous sustainable and eco-friendly advantages.

We invite you to experience the elegance and comfort of Bistara Linen Co., where our commitment to the environment and female empowerment shapes every exquisite piece, we create.
