Inspiring Elevated Garden Beds

Check out our wide range of Elevated Garden Beds in different sizes to suit your space perfectly. Grow a variety of vegetables, herbs or flowers for your daily needs.

Joyful Home Decor

Comes in a beautiful variety of shades, shapes and with styled distress paints to complement your interiors. Can be used both Indoors and Outdoors. Perfect for table tops, balconies or terrace walls, or to be kept Indoors as that beautiful corner piece. This can be a perfect choice for gifting as well. Check out our Website for full catalog that will leave you nothing but joyful.

Exquisite Hangers

Be delighted to see your beautiful exquisite hangers everyday. The chains are made of pure brass making them rust free and provide a unique class apart aesthetic to these exquisite hangers.

Thrilling Railing Beauties

Our unique styled railing wooden planters are just the perfect thing for hanging on railings in your balconies. It comes with two sturdy large hooks, with antique finish to give that elegant look. Good for both indoors or outdoors and perfect choice for gifting. Comes in different sizes.

Mythical Tulsi Planters

Choose our unique styled wooden Tulsi Planter to plant your sacred Tulsi, instead of using plastic or fiber or ceramic pots. This planter offers enough space for your Tulsi to grow its roots as compared to others available in the market.

Whimsical Trees

Plant your favorite dwarf trees such as any fruits or lemons based on the climate conditions. Make a mini orchard on your terrace.
