

A woman with long, dark, wavy hair is sitting on a large roll of fabric. She is wearing a dark, strapless top and dark leggings. The background is a textured, light-colored wall. The lighting is dramatic, highlighting her features and the texture of the fabric.

COLLECTION TWO

The Secret Garden

“If you look the right way, you can see that the whole world is a garden”

Building on *Lilliput & Felix*' strong silhouettes and textures, *The Secret Garden* explores themes of femininity and power.

Each style is designed with a different figure in mind and *The Secret Garden* combines new structured shapes with high support and coverage with signature *Lilliput & Felix* multi-tie designs.

Bold prints of deep waterfall and bright blossom are balanced by the delicacy of feminine Bees & Leaves by British print designer, Jessica Russell Flint.

We are proud that this collection is *Made in Britain* and to be supporting British manufacturers this season.
