Summer Time – the big unpack

Lilliput & Felix Amaranthus swimsuit.

In an effort to hide the mummy tum (or perhaps its just too much rose) I decided a one-piece was the way to go. The clever people at Lilliput & Felix make amazingly non-mumsy one pieces with subtle X panelling on the stomach for added support. Love their retro styling and pieces now in the sale so definitely worth a look. See main pic. £159, [click here to view](#)
