GenVX®

Abrasive Blast Helmet

Unmatched Comfort and Durability...

The GenVX® offers unrivaled comfort and durability in a lightweight design. It is the lightest, coolest, most comfortable, and most dependable helmet on the market, with the industry-leading 2-year warranty.

Lightest

- 11lb. lighter than the competition
- High-Density Polyethylene construction offers superior strength-to-weight ratio

Cooler

- The helmet design allows air to pass directly over the head to surround the face with cool air
- Provides the most cooling options
- Integrated, molded-in airflow tunnel design provides greater cooling

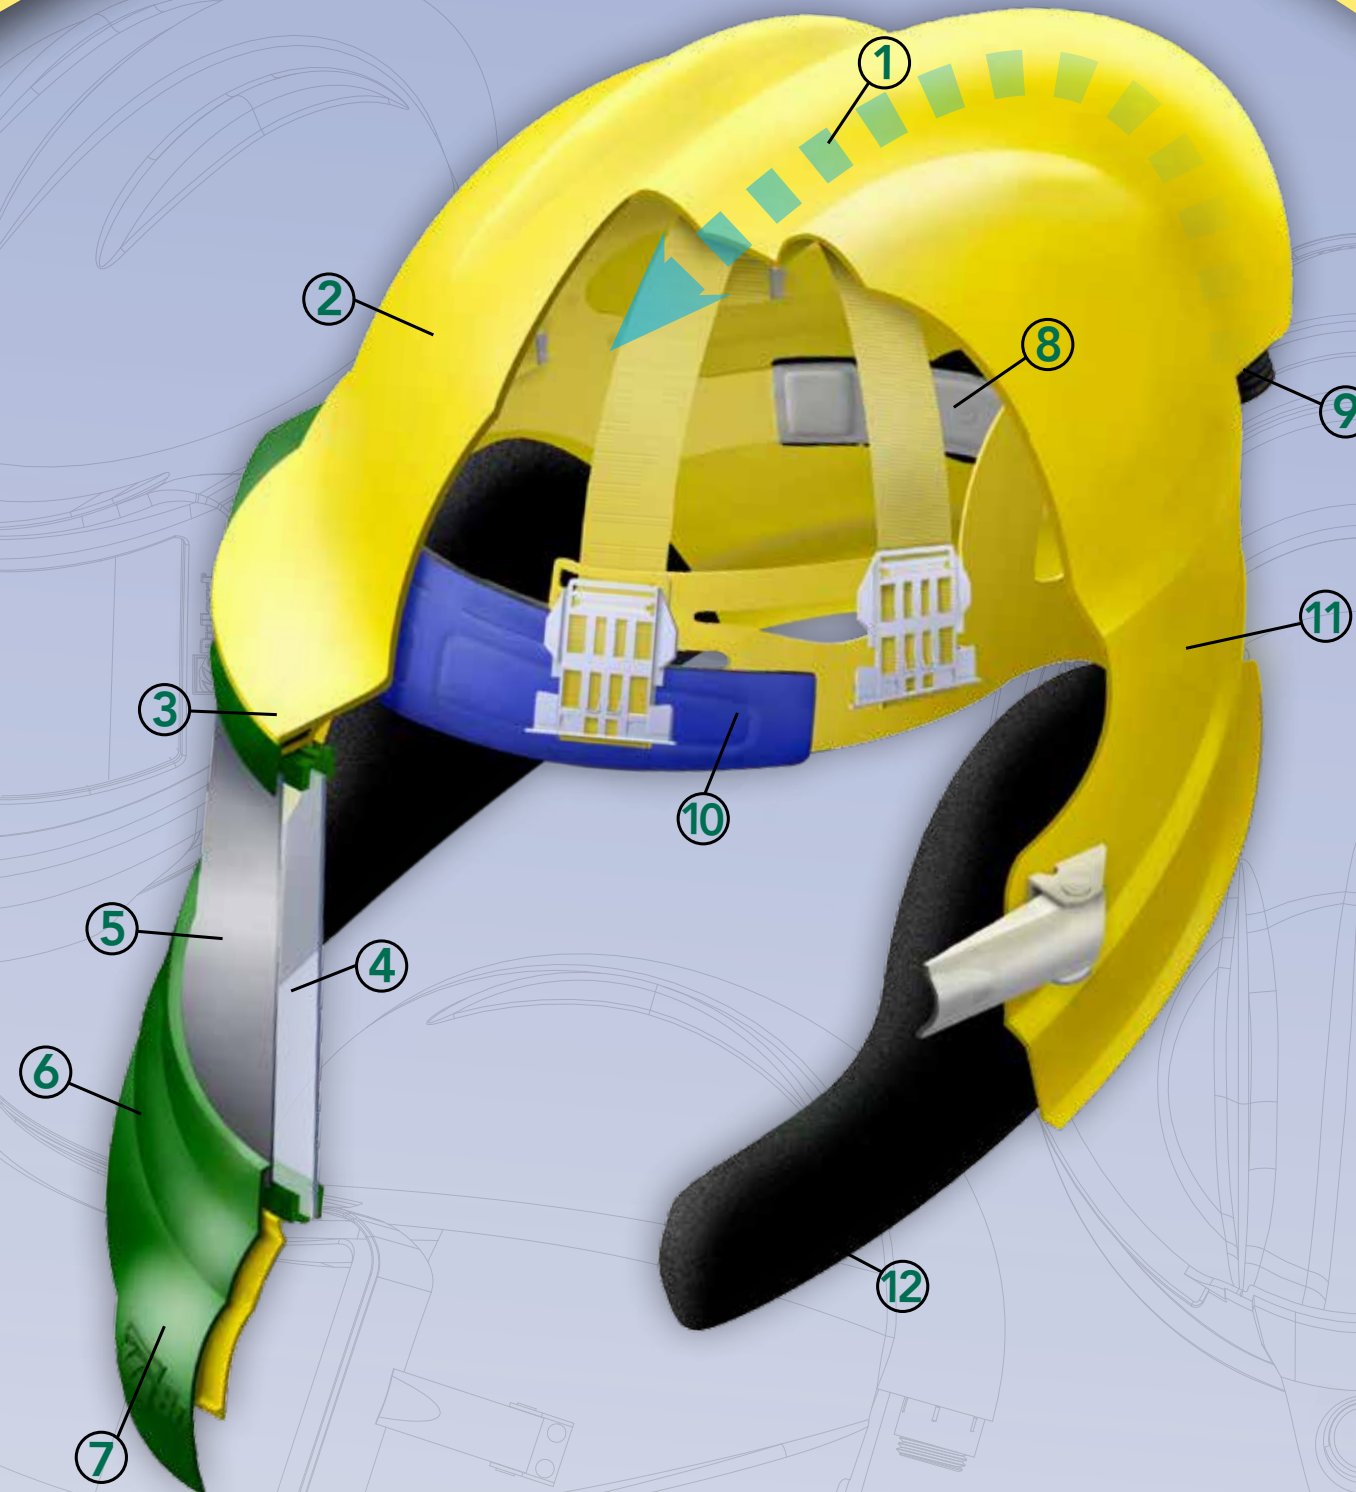

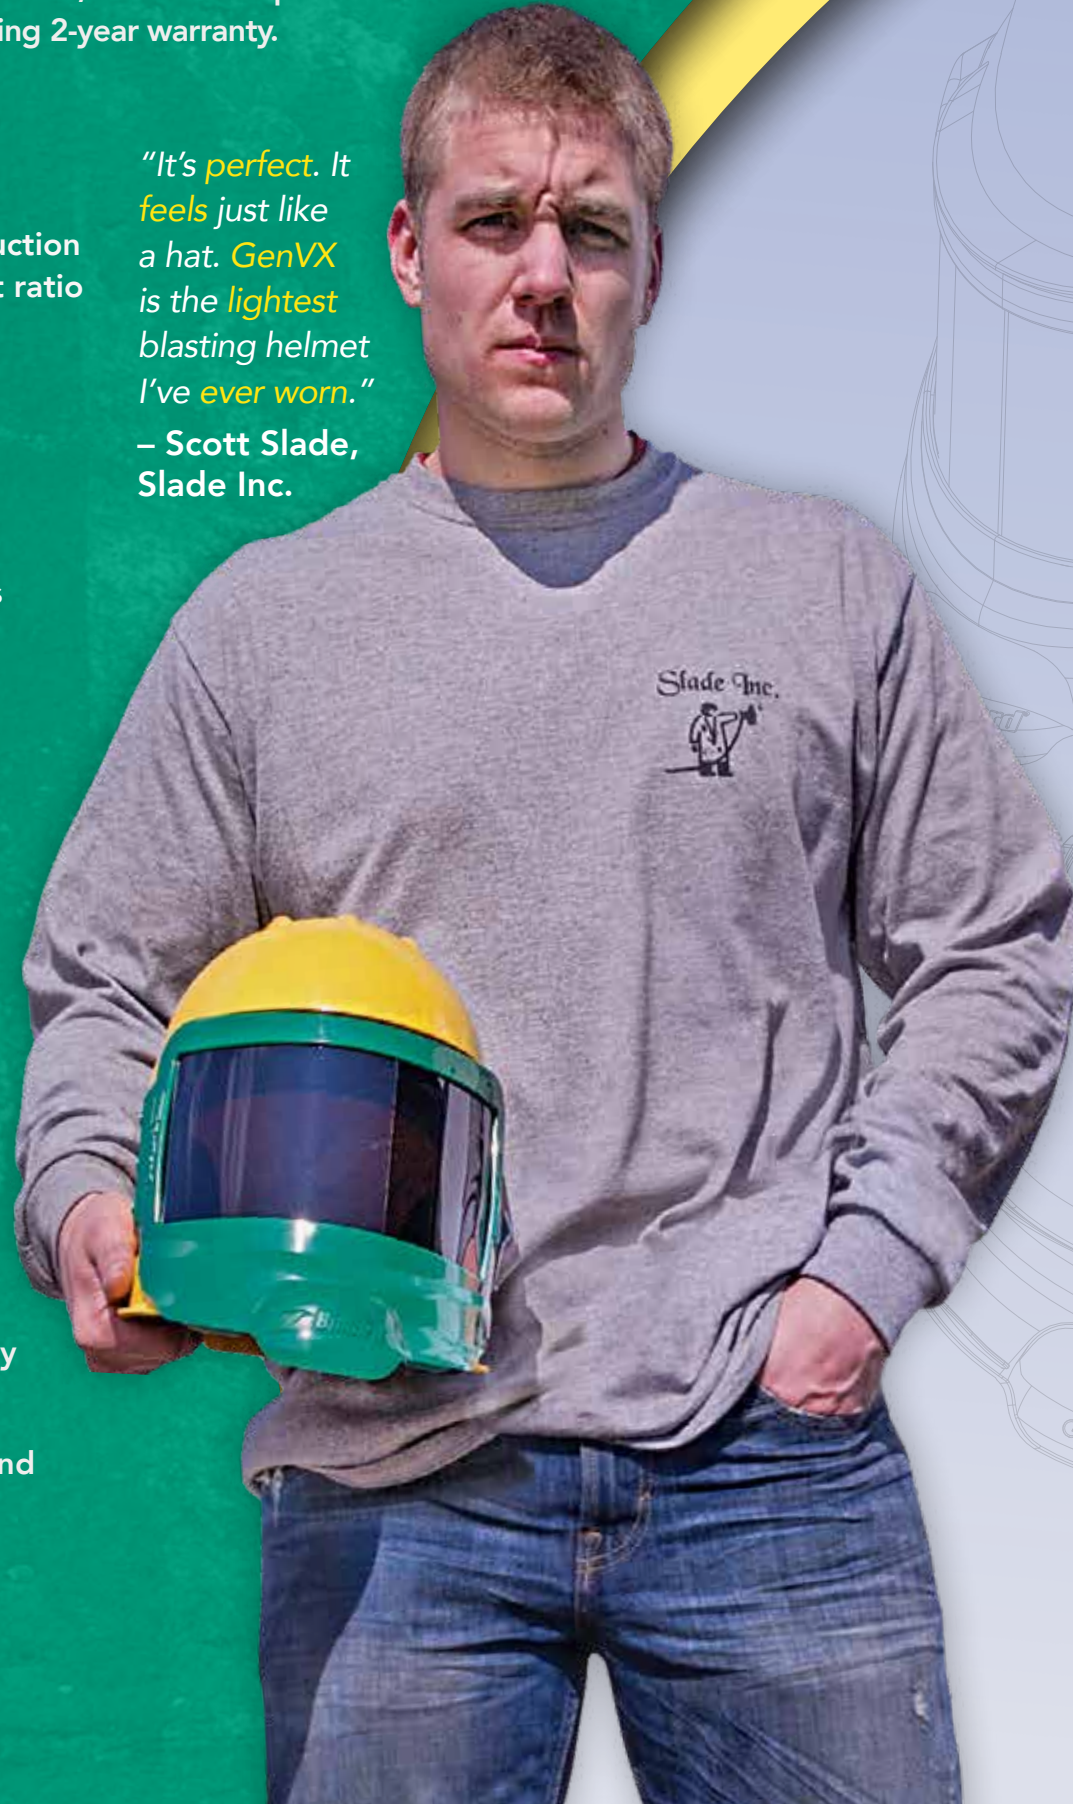

Comfortable

- Six-point suspension with wide 1" straps
- Center breathing tube connection for balanced movement
- Removable, washable, and adjustable cheek pads for a custom fit

Dependable

- 1,000 APF independent third-party documentation
- ANSI/ISEA Z89 Head Protection and High-Impact Z87+ Face Protection
- Industry-leading 2-year warranty

"It's perfect. It feels just like a hat. GenVX is the lightest blasting helmet I've ever worn."
 – Scott Slade, Slade Inc.

Inside the GenVX

- | | |
|---|--|
| <ol style="list-style-type: none"> 1. Over-the-top air distribution prevents fogging and improves cooling 2. ANSI/ISEA Z89 Head Protection 3. "Grit Guard" visor keeps debris out of lenses 4. ANSI/ISEA Z87+ High-Impact Face Protection 5. Tinted lenses available 6. Injection-molded door provides precise seal 7. Latch guard keeps cape secure | <ol style="list-style-type: none"> 8. Ratchet-style suspension for easy adjustment 9. Centered breathing tube connection for even balance 10. Six-point suspension with 1" wide straps for comfort and stability with replaceable brow pad 11. Integrated, molded-in airflow tunnel design provides greater cooling 12. Removable, washable, and adjustable cheek pads for a custom fit |
