## SNAKE PROFESSIONAL

Venom Defender Animal Handling Gloves  
(HEXARMOR R8E 3180)

### Effectively used for protection against:

- Venomous Snakes & Constrictors
- Big Lizards
- Small Crocodilians
- Small Stingrays
- Small Sharks
- Seals
- Tiger & Cheetah Cubs
- Otters
- Meerkats
- Bats
- Monkeys & Primates
- Birds
- Cats & Dogs
- Other sharp toothed mammals

Venom Defender Animal Handling Gloves are intended as an extra line of security and should not be taken as a substitute for good handling techniques. Although not guaranteed to be puncture proof, Venom Defender Gloves are trusted by many experts.

## Animal Welfare

Animal Welfare is a main feature of this product. When the handler feels more safe and secure, the animals are much less stressed.
