

AdvanceTec Desktop Charger for XP5s

AdvanceTec Single-bay Charger provides 2 amps of power, allowing you to conveniently and efficiently charge your XP5s handset at your work station. Eliminate the need for charging cables with the drop-in charger and handset organizer.

Sonim certified chargers are designed to optimize the battery life, enabling you to get the most from your handset. The combination of Sonim's powerful handset and AdvanceTec drop-in charger ensures your device is connected and accessible 24 hours a day, 7 days a week.
