

“I use Simpsons’ Golden Naked Oats in irrational amounts to ensure minimal solid liquid separation of wort, that tastes like a delicious dissolved candy bar.”

Jeremy Marshall, Head Brewer, Lagunitas Brewing Company

GOLDEN NAKED OATSTM

Adds fullness and flavour in beer with a shaving foam white head.

Beer Styles: Oat Stouts and Speciality Beers

Malt Flavour: Nutty, Creamy, Porridge

Usage: Up to 10%

This huskless oat crystal malt is quite simply delicious. An exotic ingredient for the adventurous brewer, it brings a subtle nutty flavour. Its creaminess brings mouthfeel and balance to strong, hop forward beers. One taste and we’re sure you’ll be inspired to start creating a new recipe.
