PIÈCES D'EXCEPTION BESPOKE

LA COLLECTION KI est avant tout un jeu astucieux pour mettre en valeur la matérialité du bois. Pensée pour les demandes particulières, le mobilier Ki peut-être adapté à des dimensions monumentales. Ces pièces en séries limitées nous donnent à voir une vision macroscopique du bois, les contrastes et les textures sont exacerbés pour donner un aspect quasi minéral à la matière.

THE KI COLLECTION is above all a clever game to highlight the materiality of wood. Designed for special requests, Ki furniture can be adapted to monumental dimensions. These limited series pieces give us a macroscopic vision of the wood, the contrasts and the textures are exacerbated to give an almost mineral aspect to the material.
