

Rear Mount Pop-Up TV Lift

The Rear Mount Pop-Up TV Lift is the perfect home automation solution for keeping your TV out of sight. At the press of a button your TV can lift smoothly and quietly out of a cabinet, fireplace mantel, bed footboard or where ever you like. Capable of lifting TV's from 20 - 70" and up to 135 lbs, this TV lift is suitable for all your TV automation projects.

Standard Features and Benefits

- **Internal limit switches** automatically shut off the unit at the end of stroke
- Available with **25, 30, or 36 inches of stroke** to fit your TV size and custom project
- Comes with **roller top fixture** for use in a cabinet with lid that flips back and closes automatically
- **135 lbs. total lift capacity** - suitable for majority of TV's
- **No exposed tracks, gears, or scissors**
- Worm gear drive system provides **quiet operation**
- **Temperature operating range** of -15°F to 150°F (-26°C to 65°C)
- Comes with **RF Remote, IR Remote and Wired Controller**
- **Programmable memory** allows you to set stopping point of lift
- **No professional installation required**
- **Maintenance free**
- **CE and RoHS certified**
