

HARKUTA

BEDROOM COLLECTION

We've combined elegance with Scandinavian cool to create this thoroughly modern range of bedroom furniture.

Comprising beds, chests, bedside tables and a wardrobe, every piece is skilfully crafted from solid oak and oak veneers and finished with matt lacquer to add a subtle sheen and show the rich grain patterns at their warm and characterful best.

Featuring sleek lines softened with curved edges and rounded corners and standing firm on tapered legs, the lack of unfussy detail will contribute to the atmosphere of calm a bedroom requires. Clever recessed handles on the doors and drawers are an eye-catching as well as practical touch, and the range's timeless simplicity makes it the perfect choice for any home.
