

# Pairing Your Keyboard to iPad

## Bluetooth Connectivity for CODi Bluetooth® Keyboard Case

### BLUETOOTH CONNECTIVITY STEPS

1. Your CODi Bluetooth Keyboard Case will have a partial charge, when first removed from it's packaging.
2. Prior to pairing with your iPad, charge the Bluetooth Keyboard Case until it has a full battery
3. When it's fully charged, a solid green light will show next to "Batt", on the keyboard.
4. Check to make sure your iPad's IOS is updated to the latest version
5. Enable Bluetooth on your iPad (Settings -> Bluetooth -> "On")
6. Turn on the keyboard
7. Begin pairing with your iPad by holding the function key (Fn) and pressing the "C" key, with the Bluetooth icon.
8. A blue LED light will begin flashing
9. In your iPad Bluetooth Settings, "Bluetooth Keyboard" will appear under "Other Devices"
10. Choose "Bluetooth Keyboard"
11. Pairing will complete, and you will see "Bluetooth Keyboard" under "My Devices", with "Connected", next to it.
