# Let's play 'Imagine you are' ...

This is a fun game to play which engages the imagination and encourages role play, emotional expression and lots of giggles! A box full of old clothes, dress-ups or props would be handy but not essential.

## 1 Imagine you are... a Prince or a Princess

How would you act? How would you stand? How would you speak? Do you have a special way of walking? Now let's imagine there's a naughty, magical Dragon in your Kingdom (mum or dad) how do we make it go away?

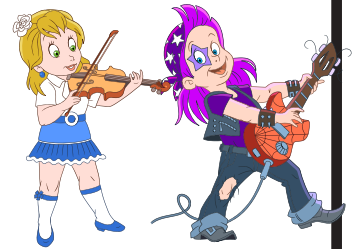

## 2 Imagine you are... a Cat

What kind of cat are you? Are you a big ferocious lion or a gentle little house cat? Do you have a soft purr or a loud roar? Now let's imagine that your cat is hungry - how does your cat look for food? What does he do when he finds it?

## 3 Imagine you are... a Musician

Do you sing or do you play an instrument? What does your hair look like? What are you wearing? Are you in a Rock band or do you play in an Orchestra? Now let's imagine you're on a stage with a big audience, put on a show that they will love!

## 4 Imagine you are... a Doctor or a Nurse

What special instruments do you use? How do you check if someone is sick? What can you do to make someone feel better? Are you a silly doctor or a serious one? Now, let's imagine someone is sick (your toys). What would a doctor do to make them better?

## 5 Imagine you are... a Superhero

What special powers do you have? What is your Superhero name? What does your Superhero costume look like? What makes you a good Superhero? Now imagine your citizens (your toys) are in danger from a naughty villain. How does the Superhero save the day?

## 6 Imagine you are... Scientist or Explorer

Are you a scientist or an explorer? What hidden treasures or discoveries have you made? Have you invented something amazing or discovered an ancient tomb? Now imagine your back yard is full of things to explore - what magical things can you find?

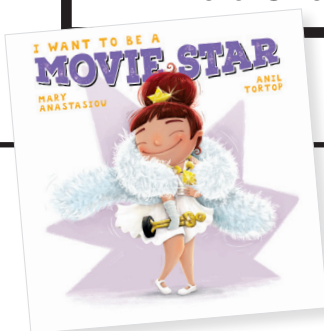

## 7 Imagine you are... a Pirate

Are you a good Pirate or a Naughty Pirate? Do you have a special way of walking? Do you speak like a Pirate 'Ahoy me harties'? Do you carry a sword or wear a patch? Now imagine your sailing along the open seas looking for treasure. What do you do when you find it?

## 8 Imagine you are... a Mummy or a Zombie

You're an eeky, creepy Mummy or a brain eating Zombie. Your job is to scare as many of the humans (mum and dad) as you can. How do you walk? How do you talk? What do you say? Now imagine you're invited to a Ghoulish dance. What kind of dancing do you do?
