## RING SIZE CONVERSION

### STEP 1: CHECK THE ACTUAL SIZE OF THIS PRINT

To ensure that your ring sizer has been printed correctly, check that the scale below measures exactly 4 cm.

### STEP 2: MEASURE YOUR FINGER SIZE

Choose a ring that you can put on the finger where you will wear your new ring. Place your ring on the circles below. When the inner diameter of your ring matches exactly with the inner diameter of the circle, you have found your size.

If you are unsure between 2 sizes, always choose the larger ring size rather than the smaller one. In case of doubt, do not hesitate to email our customer service here :
