Marine Collagen Line

MARINE COLLAGEN LINE is formulated to intensively boost the production of your skin's collagen and elastin. The combination of the plant-based, Botox-like ingredient and antioxidants reduces the appearance of wrinkles and slows down the ageing process. All of these highly effective skincare collagen products work in a system and complement each other. The line includes products for both home and professional use.

Collagen Serum with Bio-Marine Elastin

SERUM, with an intensive effect, prevents sagging of the skin and changes to the shape of the face. A botanical ingredient with BOTOX effect reduces the appearance of wrinkles and provides amazingly smooth skin. The powerful combination of antioxidants slows down the ageing process and regenerates the skin. For all skin types.

Use: apply one pump of the serum on cleansed face, neckline and neck in the morning and/or evening. Wait until it is absorbed fully and apply Collagen Day & Night Cream.

INCI: Aqua, Hydrolyzed Collagen, Glycerin, Pentylene Glycol, Caprylyl/Capryl Glucoside, Hydrolyzed Elastin, Menyanthes Trifoliata Leaf Extract, Saccharide Isomerate, Caesalpinia Spinosa Gum, Acemella Oleracea Extract, Sodium Levulinate Vegetable, Polyglyceryl-10 Laurate, Babassu Oil Polyglyceryl-4 Esters, Hydroxyethylcellulose, Sodium Anisate Vegetable, Glucose, Sorbitol, Sodium Glutamate, Urea, Sodium Pca, Glycine, Aroma, Lactic Acid, Hydrolyzed Wheat Protein, Panthenol

15 ml / 0.51 fl.oz.

stimulates the production of collagen

nourishes and moisturizes

restores elasticity and reduces fine lines

collagen & elastin

plant-based botox

oils & extracts

Collagen Day & Night Cream

THE CREAM, with a high concentration of marine hydrolysed collagen and elastin, penetrates the deep layers of the skin and stimulates the production of its own collagen and elastin, as well as slows down the processes of sagging and ageing of the skin. The combination of natural moisturisers with a plant-based BOTOX effect ingredient perfectly reduces expression lines and provides long-lasting hydration. Plant extracts and natural oils nourish and regenerate the skin. For all skin types.

Use: apply a pea-sized amount of the cream on cleansed face, neckline and neck in the morning and/or evening. Use cream together with Collagen Serum with Bio-Marine Elastin.

INCI: Aqua, Caprylic/Capric Triglyceride, Myristyl Myristate, Glycerin, Hydroxyethyl Acrylate, Sodium Acryloyldimethyl Taurate Copolymer, Hydrolyzed Collagen, Crambe Abyssinica Seed Oil, Vitis Vinifera Seed Oil, Triticum Vulgare Germ Oil, Helianthus Annuus Seed Oil, Pentylene Glycol, Caprylyl/Capryl Glucoside, Hydrolyzed Elastin, Tocopheryl Acetate, Xantan Gum, Menyanthes Trifoliata Leaf Extract, Simmondsia Chinensis Seed Oil, Saccharide Isomerate, Acmella Oleracea Extract, Sodium Levulinate Vegetable, Polyglyceryl-10 Laurate, Babassu Oil Polyglyceryl-4 Esters, Sodium Anisate Vegetable, Glucose, Sorbitol, Sodium Glutamate, Urea, Sodium Pca, Glycine, Aroma, Lactic Acid, Hydrolyzed Wheat Protein, Panthenol

50 ml / 1.69 fl.oz.

— improves skin elasticity

— reduces fine lines

— 1 Bon Bon contains 2,5 g collagen – daily dose

Collagen Chocolate Bon Bon with Cherry Filling

These hand-made **COLLAGEN CHOCOLATE BON BON** with Cherry Filling are my new favorite sweets. I love to have one with my tea every evening as a treat to celebrate a successful day. These decadently delicious Collagen Chocolate Bon Bons were created to help improve skin elasticity, fine lines and wrinkles and give me that essential chocolate fix! One Bon Bon is equal to your collagen daily dose.

Ingredients: dark chocolate (cocoa mass, cocoa butter, emulsifier-soy lecithin E322), fish collagen, candied cherries, whole milk.

PROFESSIONALS ONLY

- botox effect
- evens out the skin & lifts
- hydrates

Collagen Serum with Botox Effect

Serum with sea elastin, collagen with low molecular weight and plant origin myorelaxant provides a botox effect, evens out the skin and offers lasting lifting. Natural moisturising factors provide lasting hydration of the skin and reduce water loss. Plant origin antioxidants reduce sensitivity of the skin, delaying the ageing processes and deeply restoring the skin.

Use: drop the serum onto the processing area(s) (1,5 – 7 ml) and continue with treatment according to protocol manually or with beauty device. Use in anti-ageing facial treatments if the skin is weakened and have lost its elasticity. Suitable for use in a variety of massages, electrotherapy and sonar therapy, ideal for preparing for further cosmetic manipulations as well as for rehabilitation after plastic surgery.

Ingredients: Aqua, Hydrolyzed Collagen, Glycerin, Pentylene Glycol, Caprylyl/Capryl Glucoside, Hydrolyzed Elastin, Menyanthes Trifoliata Leaf Extract, Saccharide Isomerate, Caesalpinia Spinosa Gum, Acmella Oleracea Extract, Sodium Levulinate Vegetable, Polyglyceryl-10 Laurate, Babassu Oil Polyglyceryl-4 Esters, Hydroxyethylcellulose, Sodium Anisate Vegetable, Glucose, Sorbitol, Sodium Glutamate, Urea, Sodium Pca, Glycine, Aroma, Lactic Acid, Hydrolyzed Wheat Protein, Panthenol

50 ml / 1.69 fl.oz.

PROFESSIONALS ONLY

rejuvenates & nourishes

reduces the appearance of wrinkles & lifts

hydrates & evens out complexion

Collagen Cream with Botox Effect

Sea origin collagen and elastin are supplemented with a plant origin Botox effect in combination with NMF and PENTAVITIN®, acting on all layers of the skin, reducing the appearance of wrinkles, and offering lasting lifting of the skin. Natural moisturising factors hydrate the skin for a long time. The mix of plant oils and plant extracts rejuvenates, nourishes the skin, and evens out complexion.

Use: apply on the face and massage in until absorbed. Use in beauty treatments together with Collagen with Snow Algae Ageless Peel-Off Mask.

Ingredients: Aqua, Caprylic/Capric Triglyceride, Myristyl Myristate, Glycerin, Hydroxyethyl Acrylate, Sodium Acryloyldimethyl Taurate Copolymer, Hydrolyzed Collagen, Crambe Abyssinica Seed Oil, Vitis Vinifera Seed Oil, Triticum Vulgare Germ Oil, Helianthus Annuus Seed Oil, Pentylene Glycol, Caprylyl/Capryl Glucoside, Hydrolyzed Elastin, Tocopheryl Acetate, Xantan Gum, Menyanthes Trifoliata Leaf Extract, Simmondsia Chinensis Seed Oil, Saccharide Isomerate, Acmella Oleracea Extract, Sodium Levulinate Vegetable, Polyglyceryl-10 Laurate, Babassu Oil Polyglyceryl-4 Esters, Sodium Anisate Vegetable, Glucose, Sorbitol, Sodium Glutamate, Urea, Sodium Pca, Glycine, Aroma, Lactic Acid, Hydrolyzed Wheat Protein, Panthenol

200 ml / 6.76 fl.oz.

rejuvenates & hydrates

increases elasticity & counteracts the formation of wrinkles

stimulates collagen production

renews epidermal layer of mature skin

Collagen with Snow Algae Ageless Peel-Off Mask

COLLAGEN MASK WITH SNOW ALGAE deeply rejuvenates and protects the skin at the cellular level. Collagen improves the skin's moisture content through direct skin contact and the water-binding capacity significantly increases the skin's elasticity and firmness as well as counteracts the formation of wrinkles. Snow algae has some notable anti-ageing effects on the skin, stimulating collagen production and reducing its loss, improving the structure of the skin, increasing skin hydration and smoothing eye wrinkles. This mask brings new life to an epidermal layer showing signs of ageing and lacking moisture balance.

Use: mix the necessary amount of the mask (15 – 100 g) with room-temperature water (45 – 300 ml) and stir intensely until homogeneous paste is obtained. Immediately apply the mask onto cleansed face, neck, décolleté and bust area. Leave for 15 minutes then remove easily as a film.

Ingredients: Glucose, Algin, Hydrolyzed Collagen, Calcium Sulfate, Silica, Tetrasodium Pyrophosphate, Aroma, PVP, Mica, Titanium Dioxide, Maltodextrin, Aqua, Ultramarines, Blue 1 Lake, Kaolin, Coenochloris Signiensis Extract, Lecithin

available in 200 g and 1000 g packaging

200 g / 1000 g
