PROF-GRADE HAIR CARE

100% natural hair cosmetics, which are divided into four specially developed product lines. Creating these products, the most advanced natural ingredients were used that are capable of replacing silicones, sulphates, parabens and SLS.

We can safely say that these products are truly the latest advances in natural hair cosmetics.

STRENGTHENING

Specially developed cosmetics for slow hair growth or increased hair loss. Ginseng root, hops and green coffee extracts stimulate collagen synthesis and promote microcirculation of the blood in the scalp, which has a significant effect on hair root blood circulation. Increases oxygen supply, stimulating the growth of stable new hair growth and strengthening existing hair.

Recommended for fine and sensitive hair for strengthening against breakage.

Hair strengthening shampoo against hair loss.

- Suitable for all hair types with slowed hair growth or increased hair loss;
- Improves the supply of oxygen to hair follicle cells;
- Lustreplex® restores hair elasticity and structure;
- Strengthens the vital processes of hair follicles;
- Stimulates blood circulation and nourishment of hair roots;
- Activates and prolongs the hair growth phase.

STRENGTHENING SHAMPOO

Provides professional care, preventing hair loss and strengthening the hair. Deeply cleanses the hair and scalp. Perfect for all hair types and for those with slower hair growth or increased hair loss. The combination of ginseng root, hops and green coffee extracts promotes collagen synthesis and promotes the blood microcirculation of the scalp, which significantly affects blood circulation in the hair root. Increases the supply of oxygen, stimulating the stable growth of new hair and strengthening existing hair. Recommended for strengthening fine and sensitive hair against breakage.

Use: massage into damp hair and scalp. Massaging of the scalp with light strokes improves blood circulation, which transports blood to the hair roots and strengthens them. Rinse thoroughly with warm water. Use along with GMT HAIR STRENGTHENING conditioner and mask.

STRENGTHENING MASK

Provides professional care for strengthening hair.

Only by acting on the hair root can we improve, promote or influence its life cycle. Hair loss is common, but increased hair loss can be truly worrying. Therefore, it is very important to provide the hair with the necessary nutrients and oxygen. The active combination of especially suitable plant extracts – ginseng, horse chestnut, hops, thistle, green coffee – promotes intensive new hair growth, strengthens existing hair roots, prolongs hair life. The mask formula restores the hair from the inside, making it shiny and silky.

Use: after washing, carefully massage into rinsed, towel-dried hair and scalp. Leave in for 15-20 minutes. Rinse thoroughly with warm water. Recommended once per week.

INCI: Aqua, Cetearyl Alcohol, Glycerine, Oryza Sativa Starch, Sucrose Polystearate, Olea Europaea Oil Unsaponifiables, Behenamidopropyl Dimethylamine, Coco-Caprylate/Caprate, Butyrospermum Parkii Butter, Distearoylethyl Dimonium Chloride, Prunus Amygdalus Dulcis Oil, Crambe Abyssinica Seed Oil Phytosterol Esters, Hydrogenated Ethylhexyl Oliviate, Argania Spinosa Kernel Oil, Polyquaternium 70, Dipropylene Glycol, Panax Ginseng Root Extract, Benzyl Alcohol, Cymbopogon Flexuosus Herb Oil, Lactic Acid, Coffea Arabica Seed Extract, Humulus Lupulus Extract, Equisetum Arvense Extract, Arctium Majus Root Extract, Aesculus Hippocastanum Seed Extract, Tocopherol, Dehydroxanthan Gum, Aroma

REPAIRING CONDITIONER

Provides professional care for damaged, dry, dull hair and is suitable for everyday use. Restores, nourishes and smoothes unruly, chemically damaged and dry hair. The acidic pH environment tightly closes the cuticle, maintaining the long-term effect of valuable active substances (collagen, arnica, white nettle, watercress, etc.). Restores hair elasticity, facilitates combing, prevents the formation of static electricity and curling, reduces hair drying time.

Use: after washing, massage the required amount of conditioner into rinsed, towel-dried hair. Leave in for 3-5 minutes. Rinse thoroughly with lukewarm water, as hot water can open the cuticle scales and promote colour washing and fading.

INCI: Aqua, Cetearyl Alcohol, C15-19 Alkane, Coco-Caprylate/Caprate, Behenamidopropyl Dimethylamine, Glycerine, Butyrospermum Parkii Butter, Cetareth-20, Hydroxypropyltrimonium Hydrolysed Corn Starch, Distearoylthyl Dimonium Chloride, Polyquaternium 70, Dipropylene Glycol, Hydrolysed Collagen, Laurdimonium Hydroxypropyl Hydrolysed Keratin, Lactic Acid, Benzyl Alcohol, Cymbopogon Flexuosus Herb Oil, Xanthan Gum, Chamomilla Recutita Flower Extract, Arnica Montana Flower Extract, Rosmarinus Officinalis Leaf Extract, Salvia Officinalis Leaf Extract, Pinus Sylvestris Bud Extract, Nasturtium Officinale Extract, Arctium Majus Root Extract, Citrus Lemon Peel Extract, Hedera Helix Leaf Extract, Calendula Officinalis Flower Extract, Calendula Officinalis Flower Extract, Lamium Album Extract, Tocopherol, Aroma

250 ml e / 8,45 fl.oz.

Repairing mask for coloured, fragile, mechanically, chemically and thermally damaged hair.

- Lustreplex® controls the elasticity and manageability of the hair;
- CRODAFOS HCE ensures the best delivery of active substances to the hair;
- Maximum protection of the hair dye from fading;
- MiruStyle™ MFP PE provides exceptionally high resistance to moisture;
- Tightly closes the hair cuticle, prevents fluffiness and electrification.

REPAIRING MASK

Provides professional care for chemically damaged, dry and dull hair. The mask's powerful natural argan and shea oils, collagen, keratin and plant extracts (rosemary, sage, arnica, ivy, etc.) deeply restore the hair structure, moisturising and nourishing as needed. The mask forms an invisible coating, providing long-lasting exposure to valuable substances throughout the hair, tightly closing the hair cuticle and preventing frizziness and the accumulation of static electricity. Hair regains elasticity, combs easily and becomes easy to style.

Use: after washing, massage the required amount of mask into rinsed, towel-dried hair. Leave in for 15-20 minutes. Rinse thoroughly with lukewarm water. Recommended once per week.
