Kraft Clasp Envelope

Detailed Product Description

Kraft clasp envelope is made of rugged, heavy-duty Kraft paper or manila paper. They have rust-resistant metal clasps, strong reinforced holes, and heavily gummed flap. They are automatic riveted to replace the traditional, heavier metal clasp for repeated use. The salive glue and clasp provide a secure and durable closure protecting the contents from accidental opening. The paper is 100% recyclable, using 80-120gsm paper. The size: Min: 70*100mm; Max: 300*460mm. The size can be customized upon clients' request. So is the color of clasp. It can be applied in the preservation of files, pictures and books, the package of goods delivery and the collection of important items.
