New structure, new writing system, a click style watercolor pen

Click on system

It breaks the inconvenience of the traditional marker pen without disconnecting the cap

suitable for taking notes, handbooks, painting, graffiti, etc.

[New moisturizing ink]

· According to the change of environmental humidity, repeatedly absorb or evaporate the moisture in the air, keep the moisture in a proper state, and prevent the nib from drying out.

[Push type design]

· No need to repeatedly pull out the cover, no need to worry about getting your hands dirty, easy and convenient.

[Water-based ink]

· Bright color, strong adhesion, not easy to smudge. It is suitable for various scenes such as note taking, drawing, hand account, graffiti, etc.

MARKERS FOR METALWORK

Carpenter Pen - Hard To Reach Places Easily Marked PY281800

- Carpenter pen for permanent marking in hard to reach places, on almost all materials that are dust free, e.g. metal, stone, glass, wood, plastic
- The very long and narrow mouthpiece (30 mm) means that the pen is particularly suitable for use as an assembly aid when dealing with hard-to-reach places, e.g., drill holes when fitting shelves
- The round nib has a stroke width of 1 mm
- The quick-drying ink is waterproof and smudge-proof
- Available in the colour black

- Extra fine stroke with a long narrow mouthpiece for precise marking
- Practical clip prevents rolling away and can be secured on clothes and objects
- Cap can be stored on the end of the barrel to prevent risk of losing it
- Ready to use
- High-quality brand product
