

AMPEX**AMP-6003B 10,000mAh PORTABLE POWER BANK****CHARGING DEVICES**

1. Attach the device-appropriate cable to the power bank output port, USB-C or USB-A. Note that the Ampex power bank supports charging speeds up to 1.5A at 12V.
2. Connect the other side of the cable to your device.
3. Your device will begin charging immediately.
4. The Ampex power bank will indicate the remaining battery level via the battery level indicator lights on the front of the power bank.

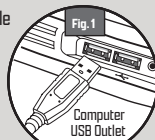

SAFETY INSTRUCTIONS

When using this product, basic precautions should always be followed, including the following:

1. Store product in a cool dry place.
2. Use original or certified cables. Use of a power supply or charging cable that is not recommended or sold by the product manufacturer may result in risk of fire or injury to persons.
3. Do not disassemble the product. Incorrect reassembly may result in risk of fire or injury to persons.
4. Recharge the battery every 6 months to preserve battery life.
5. When charging a device, the product may feel warm, this is a normal operating condition and should not be cause for concern.
6. In normal conditions, the battery performance will decline over several years.
7. Do not dispose of the product in heat or fire.
8. Do not clean the product with harmful chemicals or detergents.
9. Misuse, dropping, or excessive force may cause product damage.
10. When disposing of secondary cells or batteries, keep cells or batteries of different electrochemical systems separate from each other.

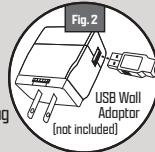

CHARGING THE POWER BANK

1. Use the provided Micro-USB cable or USB-C cable and attach it to the input port on the power bank.

2. Connect the other end of the cable to any USB outlet on a computer, wall adapter (not included), etc. (Fig.1 & 2)

NOTE: Charging while using a USB wall adapter will be faster than a computer USB port.

3. The Ampex power bank will begin charging and indicate the remaining battery level via the battery level indicator lights on the front of the power bank.

4. All four battery indicator lights will appear solid when fully charged.

NOTE: Recharge the battery immediately when battery level is low. Only one battery indicator light will be illuminated when the battery is low.

5. When battery charging is complete, remove the provided Micro-USB cable or USB-C cable and store in a safe place for future use.

**AMPEX****AMP-6003B 10,000mAh PORTABLE POWER BANK****LIMITED LIFETIME WARRANTY**

AMPEX products are covered by a Limited Lifetime Warranty against manufacturing defects in materials and workmanship for the lifetime of the product.

The life of the product can vary based on its age and how it is used. Items may be repaired or replaced at the discretion of AMPEX. If an identical product is not available, the most comparable product may be substituted, or credit towards a different AMPEX product may be offered.

If a product covered by this warranty fails due to a manufacturing defect, AMPEX will repair it without charge, or replace it, at the discretion of the manufacturer. Only original, unaltered, and unmodified items and workmanship are covered. This warranty does not cover damage caused by accident, improper care, negligence, normal wear and tear, alterations, misuse, neglect, or the natural breakdown of colors and materials over extended time and use. Storm and wind damage, burns, UV damage, and products used for commercial use are specifically not covered. Damage not covered under warranty may be repaired for a reasonable rate and a fee may be charged for shipping.

Service under this warranty is provided to the original consumer purchaser with proof of purchase from an AMPEX authorized dealer. AMPEX products purchased from unauthorized 3rd party retailers or in as-is or used condition are specifically not covered by this warranty. This warranty does not cover consequential damages, or any other losses caused by any defect in the product.

AMPEX products eligible for the Limited Lifetime Warranty are covered to the original owner, for the lifetime of the product. Please refer to the table below to assess the defined lifetime of products. To check availability and pricing for repairs or replacement parts, please call our customer support team at 1-877-887-8650 or email service@ampexgear.com.

PRODUCT CATEGORY	PRODUCT LIFETIME DEFINITION & TERM
Portable Power Packs	Lifetime of the Product which is Five (5) years from the original date of purchase of the Product by a customer from an AMPEX authorized dealer.

SPECIFICATIONS

Capacity	10,000mAh
Input	Micro-USB: 5V/2A USB-C: 5V/3A, 9V/2A
Output	USB-A: 5V/2A USB-C: 5V/3A, 9V/2A, 12V/1.5A
Size	141 x 71 x 15 mm / 5.6 x 2.8 x 0.6 in
Weight	225g / 7.9 oz
